At 9 o'clock there will be a Low Mass, followed at 10 o'clock by the second High Mass of the day.

"Friday, Christmas Eve, is a day of fast and abstinence," Rev. Fitzgerald points out. Confessions will be heard that day from 10 to 11:30 for children only and adults from 3 to 6 and 7:30 until all are heard that night.

"Christian Science" is the subject of the Lesson-Sermon on Sunday in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

In a Scriptural selection in the Lesson-Sermon, these verses from Daniel are included: "Then said he unto me, Fear not, Daniel: for from the first day that thou didst set thine heart to understand, and to chasten thyself before thy God, thy words were heard, and I am come for thy words. . . . Then there came again and touched me one like the appearance of a man, and he strengthened me, and said, O man greatly beloved, fear not: peace be unto thee, be strong, yea, be strong. And when he had spoken unto me, I was strengthened, and said, Let my lord speak: for thou hast strengthened me."

One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, includes the statement: "For three years after my discovery, I sought the solution of this problem of Mind-healing, searched the Scriptures and read little else, kept aloof from society, and devoted time and energies to discovering a positive rule. The search was sweet, calm, and buoyant with hope, not selfish nor depressing."
