

## Grubb's MEATS Are ALWAYS Good!

• We've been told by hundreds of Torrance housewives that at GRUBB'S they can ALWAYS get GOOD meats... not just "once in awhile"... but every time they make a purchase.

Because Grubb's buys only from recognized, leading meat packers, because Grubb's buys only U. S. Government inspected products, because Grubb's ALWAYS pays top prices for everything they buy... those are the reasons Grubb's consistently sells BETTER MEATS. Prices, of course, are moderate.

provide the music. This musical group has won wide acclaim in Beverly Hills, Hollywood and Inglewood for its "different" arrangements of popular dance numbers.

In addition, there will be a number of valuable prizes distributed during the evening to make the event one of the most interesting hospital benefit balls ever held.

## Pastor to Present 'Evening of Magic'

Rev. F. T. Porter will stage an evening of magician's tricks Feb. 16, at the Christian church for the benefit of the Women's Missionary society. The pastor is an accomplished sleight-of-hand performer, once displaying his talents on the stage.

## Lomita Postoffice Passes Milestone

The 150,000th postal money order issued from the Lomita postoffice was written out and given a patron there this week, according to Postmaster Birda Paddock.

The Lomita postoffice was instituted Jan. 28, 1911.

## Howe Tells Redondo Rotarians About 'Torrance Plan'

The "Torrance Plan of High School Vocational Guidance" was explained to members of the Redondo Rotary club Tuesday evening by James F. Howe of the local Rotary club. The "Torrance Plan" has received wide recognition by the service club organization since it was inaugurated here as an activity of the Youth Service committee of which Howe is chairman.

## Safeway Store On Cabrillo Is Now Remodeled

The Safeway store at 1515 Cabrillo is holding a celebration Friday and Saturday, following complete remodeling of the inside of the market. The improvements render the building modern in every respect. Inside and out, the market has been planned to present a pleasing appearance.

Fixtures are a perfect combination of beauty and utility. They feature low-type shelving to make each item in the grocery department easily accessible to the shopper. Merchandise is conveniently and logically arranged to make the location of each item on the day's shopping list as easy as possible.

The meat department of the Safeway food center is equipped with modern refrigerated meat cases. Slicing machines, scales and other mechanical equipment are of the most accurate kind obtainable.

Customers in the fruit and vegetable department will find a wide selection of quality produce displayed on sanitary tables. The stands are constructed to keep perishable merchandise in the finest possible condition.
