

## BISHOP GOODEN TO CONFIRM 38 AT CHURCH HERE SUNDAY

The Rt. Rev. Robert B. Gooden D. D., Suffragan Bishop of Los Angeles, will conduct a confirmation service at St. Andrew's Episcopal church next Sunday morning at 11 a. m. The class will be presented to Bishop Gooden by Rev. Thomas R. Marshall, vicar of the local church. There will be 38 candidates for confirmation of which 20 are adults, two are college students, and 16 are students in Torrance and Lomita schools.

This year's class is of particular interest because of the unusual family groupings. In three instances, both husband and wife have entered the class. There are several families which will be represented by both parents and children. One family will be represented by three generations—Mrs. Grace Eberly and her daughter Mrs. Mac Rose and Lucy Mac Rose, all of 21219 South Figueroa street.

There have been seven classes

presented for confirmation in St. Andrew's since 1926. Previous to this year the largest class was in 1934 when 12 persons were confirmed by Bishop Stevens. The service Sunday morning will include morning prayer, confirmation, and a sermon by Bishop Gooden.

Following are the members of the class: Fern A. Cheesman, Theodore Cheesman, Joan Cheesman, Grace Eberly, Mac Rose, Lucy Mac Rose, Rose Marie Disario, Mary Lou Barnes, Hugh T. Barnes, Marie Beech, Mary Ann Dymond, William Dymond, Phyllis Condeley, Alice Condeley, Albert Fletcher, Christina Fletcher, Roxie E. Steeth, Robert S. Steeth Jr., W. Newton Sleeth, Edna Weiss, Beverly Fouts, Doris Wilkes, Doris Kresse, Vivian Knudsen, Agnes Carson, Audrey Miller, Maxine Smith, Norman Marsteller, Marian Wamberg, Fred Lessing, Paul Lessing, Mildred Harder, Dorothy Sandstrom, Harold McEvoy, Ray McEvoy, John Joslin, Ludwig Bruhanski and Marie Duncan.

## Keystone Fights Flood Ruling

The Keystone Chamber of Commerce favors a move by county authorities to prevent any further subdivision in the low areas of that community until drainage problems are solved but is emphatically opposed to any "blanket edict" aimed at all individual land transactions throughout the community.

The chamber met this week to take action against a recent ruling that all real estate sales persons in the Keystone area be held up pending investigation of flood conditions, according to Secretary S. C. Sault. He reported that he had received information that the real estate commissioners' office had been instructed to make a thorough study of any real estate transaction in Keystone before approving it.

This move was assertedly taken as a means of preventing further building in the Keystone lowlands, menaced by flood waters, leaders in that community were informed. Meanwhile, Keystoneers are still fighting for action on their proposal that \$113,000 worth of drainage work be done there to take care of flood waters.

Sault reported that county authorities (who reported receiving a \$1,000,000 drainage project, a plan which would be impossible to realize for many years to come) insist Keystone land is subject to tidal action from the ocean. This, if true, means that the area would be practically impossible to drain. The chamber secretary declared this week that the civic group is now assembling data to prove tidal action does not affect their land.

Altho flood conditions in Keystone at the present time are not nearly as serious as they were during last year's high water, many acres of the lowest land are under water. No homes or highways are imperiled as yet by the flood drainage.

## Purple Heart Wearers Will Salute G. W.

Celebration of Washington's birthday in Los Angeles county next Tuesday will be featured by the annual festivities of the chapters affiliated with the Military Order of the Purple Heart at the Hollywood Legion ball-

room the night of Feb. 22. Harry Beach, of 1319 Arlington, is a member of the Order, having been decorated for his actions under fire for the communications division of the A. E. F.

The Military Order of the Purple Heart was created by General George Washington and the first medals were given by him to members of the Continental Army. The Purple Heart has the distinction of being the first military medal of the United States and is given by the War Department for unusual examples of heroism in all wars.

Ever since the beginning, this patriotic organization, national in scope, has celebrated Washington's Birthday annually. It has as its object the teachings of Americanism and patriotism while opposing Communism, Fascism and Nazism.

**Flour Used As Signal**  
**BUTTE CITY (U.P.)**—During northern California floods flour was used for signaling airplanes. One farmer marked out the word "FOAT" on the top of his barn with flour. After help arrived he added the word "O. K."

## More Fire Plugs to be Installed

Installation of two additional fire hydrants, one at the intersection of Via La Selva and Via Monte d'Oro in Hollywood Riviera and the other at Watson and 218th was authorized by the city council at its adjourned meeting Monday afternoon.
