### Disario Opens Metal Congress In L. A. Monday

John Disario, chief metallurgist at the Columbia Steel plant here, delivered the address of welcome to delegates and visitors attending the Western Metal Congress exposition at Los Angeles on Monday morning, March 21. Disario is chairman of the L. A. Chapter of the American Society for Metals and general chairman of the Congress.

### Hi Schoolgirl Seamstresses Invited to Enter Contest

Who are the best high schoolgirl dressmakers in Torrance? Manager Hillman Lee of the J. C. Penney Company store wants to know and so this week he announced a sewing contest for 12 merchandise order prizes that starts today and is open to all students registered in the ninth, tenth, 11th and 12th grades of high school here.

There will be four first prizes of \$3 each in merchandise, four second awards of \$2 in merchandise and four third place merchandise orders good for \$1 in trade. The contest, which

closes June 2, has the following seven rules:

Materials must be purchased at the J. C. Penney company store.

All entrants must register when material is purchased.

Contest will be divided into two divisions—cotton dresses—rayon or silk dresses. Smocks or pajamas may also be entered.

Garments will be judged on workmanship, suitability and fit. Garments must be completed and ready for modeling by Wednesday, June 1.

Garments may be made for someone else and modeled by the same.

All contestants must be present and provide model at the time of judging. Announcement will be made later in The Herald where and when the contest-entered garments are to be modeled. The judges also will be revealed at that time.

"Money Machine" Fools Thief  
FALL RIVER, Mass. (U.P.)—A jewelry store showed Uncle Sam grinding out \$1 bills in the window. It stirred a thief into action. He smashed the window, tore the endless tape and escaped. His loot was three \$1 bills.

### OBITUARY

**HENRY M. MELBY**... a resident here for 14 years, passed away last Thursday at his home, 1008 Crovans avenue. He was 71 years of age and had retired from his work as carpenter with the Columbia Steel company about eight years ago. Mr. Melby was survived by his widow, Mrs. Caroline Melby; a son, Ivan, who is in the U. S. Army stationed at the Presidio, Monterey; three daughters, Mrs. Selma Thomas, San Jose; Norma Melby, Los Angeles; and Mrs. Laverna Haneschka, Torrance, and seven grandchildren.

The funeral service was conducted Monday at Stone and Myers' chapel with Rev. George Elder, formerly of this city, officiating. Interment was at Roosevelt Memorial Park.

**MRS. CLARA STRINGER**... succumbed suddenly Sunday morning at the Los Angeles General hospital where she was taken from Torrance following a severe attack of asthma. Mrs. Stringer, whose home was at 1744 Gramercy avenue for the past 10 years, was taken to Torrance about a month ago in the hope that the higher altitude would improve her health. She was an asthmatic sufferer for several years.

Mrs. Stringer was survived by her husband, William, and a daughter, Mrs. John Feller of Canton, Ohio. She was born in that state about 67 years ago. The funeral service was held this morning at Stone and Myers' chapel and interment was at Calvary cemetery, Los Angeles. The Rosary was said there last night.

### Student Dance Saturday Night

Because the Epworth league convention here Friday conflicts with the Coordinating Council's student dance in the Civic Auditorium, the "hop" will be held Saturday night. The Fern Street school P.T.A. relinquished its reservation of the Auditorium for that night and postponed its carnival to a later date in order that the young people may continue their weekly dances without interruption.

### 'Blue Card' System of Checking Solicitations is Adopted Here

#### DETOUR

Col'm Under Construction  
By BETSY BYRNES

"Have joy, Medea! 'Tis the homeliest word that old friends can greet with, and the best."

—Euripides.

We agree with Aeneas, king of Athens, who speaks those lines in the old Greek play, Medea. It would be fine to always say "Have joy!" instead of "Hello" or "Hi there!" Have joy, all of you!

#### QUESTIONS

How is your spelling today? One of the following words is misspelled. Which one?—Deceive, Philippino, connoisseur, cloths.

And now, let's pronounce a few words: How do you pronounce government, bequeath and cruel?

To whom or to what do we refer when we speak of the Mother of Presidents, Poor Richard, the Bride of the Sea, and Dizzy?

#### TODAY'S PROVERB

"After man came woman—and she has been after him ever since."

We don't know who was responsible for that wise saying, but we'd be willing to bet it was a man!

#### ANSWERS

Philippino is incorrect. The word is correctly spelled Filipino. Now don't start to argue about the spelling of the Islands! A Filipino comes from the Philippine Islands, and that is that. About the word cloths. That spelling is correct. By cloths we mean not garments, but kinds of cloth.

You must pronounce both N in the word government, saying carefully government. Never be guilty of saying government or gubment. In bequeath the TH is not pronounced as in the word "then," but as in the word "crucial," not cruel.

The Mother of Presidents is the state of Virginia. When we mention Poor Richard we are talking about Benjamin Franklin. Venice, Italy, is known as the Bride of the Sea. Dizzy was the nickname of that illustrious British statesman, Disraeli.

#### ADIOS

We began with a Greek, so we'll end with a Roman. We know a lot about 'em both, because we're studying Greek and Roman dramas. The last line of Phormio, by Terence, is grand to use here. We quote: "Farewell, and give us your applause." (Exeunt).

### More Men Than Girls Taking Up Dance Study Here

Do young men take their ballroom dancing more seriously than the girls? This is the question being asked by Mrs. Murielle Zabelle, dance instructor, who reports that she is receiving many more young men in her classes in ballroom dancing than girls. She advises young Torrance women to brush up on their dance steps if they wish to remain popular with the "boy friends." A large class of male pupils are becoming quite adept with the "Big Apple" and other modern dance rhythms.

The Zabelle Dancing Studio, 1951 Carson street, hold regular classes in ballroom dancing.

(Continued from Page 1-A)  
page mimeographed information blank.

As he does so he mentions that a "secret committee" whose names are only known to himself—passes, on the merits of all advertising efforts introduced here, judges them from the answers given questions on the blank form.

#### Act On Information

If one or more of the "secret committee" holds that the proposition is worthless to Torrance or its business, professional or industrial life, then no "Blue Card" is issued and the solicitor must give up. If, on the other hand, the committee certifies or moves on to some other less protected city.

Explaining the purpose of the 26 questions asked, the information blank states: "The Torrance Chamber of Commerce seeks the information requested in this blank so that the granting of a permit for worthy solicitations for advertising and subscriptions may be expedited. It is important that the organization or concern seeking a permit answer all the questions set forth in this information blank. The 'secret committee' will act only on the information set forth in the blank. To insure reliability of the cause presented and to justify consideration of the application without prejudice an impartial investigation will promptly follow. An unfavorable decision is not necessarily prejudicial to the cause you represent."

Questions Asked  
The "secret committee" gleams of wheat (good advertising) or subscription (charity chisel) or dubious deals—will arrive at its conclusions from investigations based on the following questions in the information blank:

Full identification of the firm or organization seeking advertising or subscriptions in Torrance; its purpose; purpose of raising money; how money is to be spent for charitable, philanthropic, religious, educational, fraternal, patriotic, civic, political, military, labor organizations or what-not; who derives financial benefit and what percentage of net proceeds goes to the above organization.

Information is also asked as to what percentage gross proceeds goes to the organization, percentage paid or salary paid solicitor; the amount of donation requested or the price of tickets or advertising and an indication of the purpose for the donation—for bazaar, exhibition, contest, dance, concert, picnic, athletic event, exposition, drive, convention, membership or entertainment.

Attention to Law  
The name and address of the manager or producer of any event utilizing forms of advertising for support is also wanted. There are queries as to whether the soliciting person or firm has a city license for selling advertising, if proper authorization has been given the plan by the governing unit, names of all persons concerned and finally this question: "Do you understand that misrepresentations made in an endeavor to obtain money or merchandise are contrary to law?"

RENOVATING FRONT  
Ed Schwartz, proprietor of the men's wear shop at 1505 Cabrillo bearing his name is having his show windows and front of his store repainted in antique white. The finished job should make a fine improvement.

every Wednesday at 5 p. m. for the nominal fee of 25 cents per lesson. This week, however, the class will be held tomorrow (Friday) and if there are any additional young people who wish to enroll in these popular courses, they are requested to come to the McDonald hall tomorrow at 5 o'clock.
