"Unreality" is the subject of the Lesson-Sermon on Sunday in all Christian Science Churches, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts. The Golden Text is from 1 John: "The world passeth away, and the lust thereof; but he that doeth the will of God abideth for ever."

"One of the Bible citations in the Lesson-Sermon presents these words from the Psalmist: 'Oh that men would praise the LORD for his goodness, and for his wonderful works to the children of men! . . . They that go down to the sea in ships, that do business in great waters; These see the works of the LORD, and his wonders in the deep. He maketh the storm a calm, so that the waves thereof are still.' Correlative passages from 'Science and Health with Key to the Scriptures,' by Mary Baker Eddy, state: 'We must learn that evil in the awful deception and unreality of existence. Evil is not supreme; good is not helpless; nor are the so-called laws of matter primary, and the law of Spirit secondary. The Psalmist saith: 'The Lord on high is mightier than the noise of many waters, yea, than the mighty waves of the sea.'"
