"Hot cross buns,  
Hot cross buns!  
One-a-penny,  
Two-a-penny,  
Hot cross buns!"  
—Old English.

We are making them at our house today for Friday breakfast. We think it's nice to have a few old fashioned customs at home in these streamlined, hasty times—such as home-made hot cross buns on Good Friday, saving all your presents to open by the fireplace Christmas morning, waiting till Sunday to read the Sunday papers, and having at least one clock in the house that you have to wind.

**QUESTIONS**  
Which color of flower most often smells sweet?

And another thing, you flower lovers: Every one knows that the flower emblem of Holland is the tulip, that the shamrock is the emblem for Ireland, and that the fleur-de-lis is France's. What is the flower emblem of the United States?

This week we see lilies in profusion. Is the lily we call Easter lily the same as the lily of the Bible?

**TODAY'S PROVERB**  
"Children pick up words as pigeons peas. And utter them as God shall please."

We don't know who first said that, but he or she certainly knew children!

**ANSWERS**  
White heads the list for fragrance. More white flowers smell sweet than flowers of any other color. An expert informs us that 14.6 per cent of white ones have sweet fragrance, and that the percentage for red is 8.2 per cent.

Shame on you, if you didn't know the flower emblem of the United States! It is the golden-rod.

The lily of the Bible is identified by some authorities as a scarlet anemone, and "lilies of the field" as, probably, iris.

**ADIOS**  
"Gaily the bells are ringing  
At Easter time,  
Gladly the children singing  
At Easter time;  
Earth from her sleep is waking  
At Easter time,  
Chains of the winter breaking  
At Easter time."  
—Babcock

## Gettysburg Reunion Of Blue and Gray To Open June 29

GETTYSBURGH, Pa. (U.P.)—More than 3,000 Civil War veterans from both sides of the Mason and Dixon Line have sent word they will attend dedication of an eternal light peace shrine on the field of their historic battle 75 years ago.

The shrine will be dedicated by President Roosevelt, if tentative plans are fulfilled, on Sunday afternoon, July 3. The observance of the 75th anniversary of the battle of Gettysburg will last eight days, starting June 29.

Paul Roy, secretary of the anniversary commission, said veterans of both the Blue and the Gray have responded heartily to plans for the reunion.

The peace memorial, to be inscribed "Peace eternal in a United Nation," will cost \$75,000. Its fires, to light the wooded area where the great battle was fought, will never be allowed to burn out.

## Poppy Poster Awards Made

Cash prizes were awarded winners of the American Legion Auxiliary's 1938 poppy poster contest by Mrs. Audie Modglin last Friday at the high school. First award of \$3 in the senior division went to Edward Orr. Tetsuo Yasunaga won the second prize of \$2. Junior division winners were Lillian Prince, first place and \$2, and James Proven and Wallace Post tied for second place and the \$1 award.

It was explained by Mrs. Modglin, who is president of the local Auxiliary unit, that the awards were made on the basis of 70 percent for "pulling power to sell" poppies this coming Memorial Day, presentation of the "honor the dead, help the living" idea of Poppy Day, neatness and artistic composition.

Mrs. Bess Myers, poppy chairman, and Miss Ada M. P. Chase, art director at the high school and an ex-service woman, assisted in arranging the annual contest. The posters were uniformly well conceived and most of them will be used to publicize the Auxiliary's poppy day May 30.

## Sheriff's Force Gets Pay Raise

Salary increases to \$60,840 annually will become effective for deputies and officers in the Los Angeles county sheriff's department next July 1, as a result of a 3 to 2 vote of the board of supervisors at Tuesday's meeting.

Deputy sheriffs now receive from \$120 to \$140 per month and will be raised to \$140-\$150. Sergeants now are receiving \$175 to \$190 and this will be upped to a maximum of \$225. Lieutenants, who now receive \$200 to \$210 will be paid \$235 per month. Sheriff Biscailuz is now paid \$12,000 a year.

## Tarzana Plans Public Barbecue Sunday, May 8

Tarzana, home of Edgar Rice Burroughs, author of the world-famous Tarzan stories, is holding a genuine Western barbecue on Sunday, May 8, on the beautiful hill slopes overlooking the community and lying along the new "Will Rogers Trail" to be built in the near future.

Wm. E. Silva, king of barbecue chefs, is in charge of the barbecue. Those who come will be fed genuine baby steer beef barbecued in the best western style. There will be a heavy of screen and radio stars to furnish entertainment of varied nature; a fine dancing pavilion has been erected specially for the event.

Tarzana is on U. S. Highway 101 (Ventura boulevard in Los Angeles) within the city limits but about 25 miles west of the downtown district. Signs will indicate where to turn off for the barbecue grounds.
