

April Shower of Values at Western Auto

April showers are said to be blessings in disguise, bringing flowers in May, but there is no disguise about the advantages of the Western Auto Supply company's April Shower of Values which offers many immediate savings on touring needs according to E. E. Murchison, local manager of the accessory firm's store at 1273 Sartori.

This April Shower of Values is an opportunity for thousands of motorists to equip their car for more carefree enjoyment of summer outings than their budget would otherwise have permitted. More than a mere sprinkle, this event is almost a torrent, for it contains especially reduced prices on tires, batteries, motor oils, and seat covers—every one of which is important to the comfort, economy and safety of your Spring and Summer automobile outing, Murchison declares.

Mrs. Fred Joesting and Miss Margaret Deininger of Owatonna, Minnesota, are in the city visiting with their brothers R. J. Deininger and L. H. Deininger.

Lon Ralston, who spent the past week at the family home, 1667 Gramercy avenue, left Monday to resume his duties at the steel mills in Pittsburgh, California.

Mrs. Mary Bateman, 1613 Anapola avenue, spent the Easter week-end with relatives in Berkeley and Sacramento.

Easter Rites Draw Crowds To Services

Filling the entire church to capacity, more than 350 persons attended Easter Sunday morning service at the First Baptist church. A public address system was rigged up for the use of the pastor, Rev. C. Miles Northrup, to broadcast his Resurrection message to the large crowd. The special Easter music, directed by Choirmaster McEwen, attracted many compliments.

Six Patients Enter Hospital

Six new patients, including an eight-year-old girl, became patients at Torrance Memorial hospital during the past week. The child is Bernice, daughter of Mr. and Mrs. James Whistler of El Nido, who suffered a fracture of her left leg between the knee and ankle when she was struck by a bicycle last Friday. She is making a good recovery.

John Beeman of North Branch, Kansas, who has been living with his son, Dr. John Beeman, at 1617 Cota, returned to the hospital last Thursday for surgical treatment. He had been confined there for medical care last month.

Mrs. Elaine Caruso, Redondo Beach, entered Monday for medical treatment; Mrs. Olga Cope, Wilmington, was received Sunday for surgery; Mrs. Mary Cox, Redondo Beach, applied last Wednesday for medical care and Harvey Mattison, Long Beach, underwent an appendectomy Saturday.

CANDY, FOOD STOLEN

Visitors at Santa Catalina Sunday were Messrs. Sidney Smith, Chas. Myers, B. J. Scott, R. A. Bingham, Ray Sleppy and Van Gerten.

Carl Warner and Merle Johnston, officials of the Columbia Steel Company are in Pittsburgh, California, this week-end on business.
