School Board to Poll Parents on Football

ROCHESTER, N. Y. (U.P.)—The Rochester Board of Education plans to ask parents whether they want their boys to play football in public school.

The opinion of the parents will help the board to decide whether

Boyle Enters Congress Race

JAMES J. BOYLE

... pressure causes switch

James J. Boyle, Democratic Assemblyman from the 66th District for the past six years and prominent in Los Angeles business circles for the past 17 years, has announced his candidacy for Congress from the 17th District, to succeed the late Charles J. Cullen.

Boyle's record as a public official led to his being chosen as the chairman of the Los Angeles County Assembly delegation. Boyle's incumbency in the California State Legislature, it is said, is marked by the great number of important bills of national interest that he has sponsored as well as by his service as chairman of the Revenue and Taxation committee and three-time member of the Ways and Means committee of which he is now the senior Democratic member.

Boyle's decision to become a candidate for Congress, instead of for the State Board of Equalization, as originally intended, is due to the pressure of his friends and supporters who have pointed out that he is the natural successor of the late Congressman Cullen, his announcement states. Friends also point out that objectives for which Boyle would strive as a board member are being carried out by the incumbent and to defeat him would require "a vast amount of campaign funds which could be obtained only through sources disciplined by the board and to which element he does not aspire to become indebted."

Boyle lives at 1918 West 73rd street with his wife and two sons. He has seen service in the Navy and the Naval Reserve, is a member of the American Legion and of the Executive Committee of the Retail Druggists Association of Southern California and is interested in civic and philanthropic work.

TORRANCE HIGH LIGHTS... by Madalyn Pinkham

Play Day... THS emerged victor from the G.A.A. play day at Susan M. Dorsey high school last Thursday. The girls rode to Los Angeles in a huge moving truck. A Spanish festival was carried out as the theme.

Attend College... Nine THS students attended open house at Chapman College in Los Angeles last Thursday. They were shown around the grounds and the girls' and boys' dormitories. Lunch was served and a play given.

Carnival... Hundreds of people thronged the THS patio Friday evening to see the coronation of Queen Georgina Tiffany and King Lee Kirkpatrick. The queen wore a pretty formal of yellow organza. The coronation opened the Carnival, and the king and queen occupied a throne on the dance floor. Other members of the Coronation party were Ruth Duncan, Donna Jo McCutchen, Martha Hoke, Evelyn Vincent, Euphrasia Taylor and Helen Smith. They were escorted by Gene Bordeaux, Dean Barkdull, Louis Murray, Carl Andrews, Junior Richardson and John Disario. After the coronation, the doors to the Carnival were flung open, and an evening of gaiety and fun was enjoyed.

G. A. A. Dance... Wednesday afternoon a dance was sponsored by the G. A. A. in the gym.

Individual Sports... Five individual girls sports tournaments are being held at THS now. These will end the week before school closes. The sports are badminton, archery, volleyball, tennis and ping-pong. Phyllis Ordway was appointed head of the individual sports for the G.A.A.

G. A. A. Banquet... June 2 is the date set for the G.A.A. banquet. All mothers and fathers are invited to the banquet this year. The "Gay 90's" will be the theme and many past presidents and alumni are expected to be present. It will be held at the First Baptist church at 6:30. Guy Hoyt head of the attendance division of the Board of Education, will be the speaker.

Praise Display... T.H.S. students and teachers are very grateful to Lou Deinger of the Torrance Post Office for arranging the interesting window display in the main hall for National Air Mail Week. It was attractive and informative.

Thanks... THS Seniors and Juniors wish to extend a vote of thanks to Mrs. Hallatt and Coach Merrill for giving their time and patience to conducting classes in "dancing for beginners," in preparation for the Prom. These classes were held after school hours, and as many as 85 students attended. Thanks are also extended to Alys Fossum who stayed each time and played the piano for the class.

Attention Alumni... The class of 1928 is planning a re-

LEE E. GEYER

... New Deal would win it

Lee E. Geyer, Gardena school instructor, this week announced his candidacy for Representative in Congress from this district, stating that he believes the principles of "Americanism, as expressed by the New Deal would keep our people happy and prosperous if our chief executives were not hampered by the lack of cooperation in other departments of government."

Geyer endorses the new "lending-pending" and points to his record as a member of the State Assembly "rather than to any promises that might be made."

Centennial "Coins" Err; Collectors Are Happy

CHILLICOTHE, O. (U.P.)—Coin and souvenir collectors here received a break when "wooden nickels" issued in connection with the Northwest Territory Celebration contained an error.

On the first 3,000 coins issued, the word "Sesqui-Centennial" was incorrectly spelled "Sesqui-Centennial." When the error was discovered new plates were
