'Swedish Navy Yard' in Full Swing

The four-million-dollar halibut fishing industry will get under way next week when these fishing smacks pull out of Seattle for northern waters. The photo above shows the so-called "Swedish navy yard" in Seattle where last minute repairs are being put on the boats by the Scandinavians, who operate them for the most part.

SUPERVISORS MUST PARE COSTS DOWN

Efforts to slash another \$2,293,388 from the preliminary 1938-39 county budget in order to hold the tax rate at its current figure of \$1.41 per \$100 valuation, today engaged the attention of the board of supervisors.

Unless this reduction is made in the various departmental demands for next year the tax rate will be \$1.50, budget experts advised.

As the preliminary budget stands to date, after much trimming, the gross increase over this year's budget is \$9,388,444. This is partially offset by \$6,701,056 in increase in revenues from the state for county charities, bringing the net increase to \$2,687,388.

Action of the board in voting against all group-advance salary increases will lop off another \$394,000, bringing the actual net increase to date to \$2,293,388.

The appeal of 5,000 extra county employees against a proposed slash of their pay from \$5 to \$4.50 per day, planned to save \$100,000 a year, was taken under advisement by the board after a hearing.

That portion of the 15-foot alley in Block 2 of Subdivision of Lot 33 of Meadow Park Tract, as per Map re-

corded in Book 19 at Page 97 of Miscellaneous Records of Los Angeles County, lying between Ward Street and Park Street south of 242nd Street and north of the prolongation easterly of a line parallel with and 5 feet southerly from the northerly line of Lot 42, Block 2, Subdivision of Lot 33, of said Tract.

PUBLIC NOTICE is further given that the proceedings of the aforesaid work shall be taken under and in accordance with an Act of the Legislature of the State of California, designated and known as "An Act to provide for laying out, opening, extending, widening, straightening or closing up in whole or in part of any street, square, lane, alley, court, or place within municipalities and to condemn and acquire any and all land and properties necessary or convenient for that purpose," approved March 6, 1889, and under all acts amendatory thereof.

Incumbent Judges Opposed by Pair for Inglewood Township Benches

Four contenders for Justiceships Nos. 1 and 2 of the Inglewood township court appeared this week to seek voters' endorsement in the August primaries. The incumbents, Judge Frank Carrell in office No. 1 and Judge A. F. Monroe in office No. 2 are seeking re-election. They are opposed by Attorney Torrance—C. Welch of this city and Collamer A. Bridge, Hermosa Beach police judge.

When the Lomita and Redondo Beach townships were merged with Inglewood for economic reasons in 1934, the board of supervisors held that one justice could not attend to all the court business. Consequently Monroe was named to assist Judge Carrell of Gardena and the supervisors recently created two places for judges in the township.

An attorney who came to Torrance when this city was just emerging from blueprints of the city-to-be, Torrance C. Welch, will oppose Justice of the Peace Frank Carrell of Gardena for office No. 1 of the Inglewood Justice court in the August 30 primary. They were the only ones to file declarations of candidacy before the closing date last Friday.

JUDGE FRANK CARRELL . . . has heard 7,035 pleas

Actual filing of nominating petitions will take place until June 25.

Attorney Welch, a native of New York who came to California in 1904, said yesterday: "I feel I am as well qualified as the incumbent and have had a broad experience in legal matters which I desire to place at the service of the people. I believe I have an understanding of what folks in the smaller cities served by the Inglewood Justice court want from their court and I shall endeavor at all times to give impartial, factually-based opinions. As far as Torrance and Lomita are concerned, I will do everything possible to serve the best interests of justice for their residents, as well as those who live in adjoining towns."

In less than two weeks Welch is going east to attend the 25th reunion of his Yale graduating class. On his return he plans to conduct a vigorous campaign for the justiceship. He was assistant to the late Jared Sidney Torrance, founder of this city, on the development of plans for the community and he was the original secretary and incorporator for Thomas D. Campbell and company, the first land sales agents in Torrance.

Welch is married and has two children, Mary Curtis Welch, who is a supervisor for the SERA in Pasadena, and Mrs. James Dorr Eddy, a recent bride who lives in San Diego. Mr. and Mrs. Welch live at Sonoma and Juniper streets. He was admitted to the state bar in 1924 and admitted to Federal courts in 1932.

Altho he has never sought public office before, the attorney has had considerable business experience. He is president of the Torrance Mutual Building and Loan and director of the Pomona Mutual Building and Loan associations.
