DETOUR

Col'm Under Construction
By BETSY BYRNES

The smiling summer comes again
To gladden all the hearts of men.
Spring and autumn and winter have their good points, but they just can't equal good old summer. Let's give her three rousing cheers!

QUESTIONS

Summer began officially June 21. Just what is summer?
What is the name of the first college founded in America?

Pennsylvania is a grand old state. How did it get its name?

TODAY'S PROVERB

"Speech is silver,
Silence golden;
Speech sows,
Silence reaps."
—Persian.

ANSWERS

For goodness sake, most of you were slow about that definition of summer! Summer is the season of the year during which the sun shines most directly, and that, my friends, goes for any region.

The name of the first college founded in America is Harvard, which dates back to 1636. William and Mary College, founded in 1693, has the distinction of being the second.

To begin with, Pennsylvania was land granted to William Penn in 1681 by King Charles of England. Penn first thought of the name, New Wales, for his colony, then suggested Sylvania (sylvania meaning forest), to which the king added Penn, thereby first coining the name of Pennsylvania.

ADIOS

Memorize the following two lines. Repeat them, not only next Monday, but many times during the year.

"One flag, one land, one heart, one hand, one nation, evermore!"—Holmes.

Excellent Abacus Exhibited PASADENA (U.P.)—Yozo Yoshino, expert on the ancient Japanese abacus, or calculating machine, demonstrated to the students that it is faster and more accurate in the solving of mathematical problems than the modern calculating machine.

The new pastor has a record of 22 years in the ministry—14 years of that time being in Y.M.C.A. work. He is a native of New York state. Rev. and Mrs. Banks' daughter graduated last month from Whittier College and she plans to begin a teaching career in Bakersfield this fall. A son is a junior at the Whittier institution and is business manager of The Whittier Campus, college publication.

Rev. Banks is keenly interested in young people's training and activities and at Santa Fe Springs he sponsored a community playground project that attracted wide attention in that and surrounding communities. He expects to survey the local field relative to establishing Y.M.C.A. facilities here.

Mayor Wins 11 Times

WEST PLAINS, Mo. (U.P.)—Mayor J. C. Harlin, elected for his 14th consecutive term, has been mayor here for 26 years.

Priest Hero

An unidentified priest was the hero of a near-disaster this week on a west-bound train near Wenatchee, Wash. He reportedly crawled on hands and knees in a Pullman car filled with smoke to open a window and give suffocated passengers fresh air. As pictured above, he refused to pose for his picture.

The words of the Psalmist, "We will rejoice in thy salvation, and in the name of our God we will set up our banners," are the Golden Text in the Lesson-Sermon on "God" on Sunday in all Churches of Christ, Scientist.

A Scriptural selection in the Lesson-Sermon includes these verses from Matthew: "Then was Jesus led up of the spirit into the wilderness to be tempted of the devil. . . . Again, the devil takes him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them: And saith unto him, All these things will I give thee, if thou wilt fall down and worship me. Then saith Jesus unto him, Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve. Then the devil leaveth him, and behold, angels came and ministered unto him." One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "We owe the high significance of omnipotence, when after admitting that God, or good, is omnipotent and has all-power, we still believe there is another power, named evil. This belief that there is more than one mind is as pernicious to divine theology as are ancient mythology and pagan idolatry."
