Townsend Club

Activities
By BETH PAIGE

AT L. A. COLISEUM—Sunday noon: Silvery skies—no sunburn no glare—gentle breeze just right—flags flying; bands playing, badges flaunting, one big jolly Townsend convention pouring in. Youthful singers for the huge "T. P." led onto the green by Merkeley's Girls' Cornet band, clad in scarlet, full of snap and verve, led by six-year-old "Stan"; flanked by South Gate's band, matty in blue coats and white trousers, adding a wonderfully good fire and drum corps; for rear guard, the gold-clad band from Escondido, and the lighter tints given by the white and yellow satins of the Santa Ana Auxiliary. A beautiful picture, augmented by the brilliant Cavalcade costumes, horses, chariots, etc., and Lo! the "Townsend Party!"

Dr. F. E. Townsend planning medal on winner of six-mile marathon; time 32 minutes. A 55-year-old contestant gamely finishes third, gets a big hand, makes speech.

AT SHRINE AUDITORIUM—Monday: Trifling disturbance on lower floor; angry shouts, sergeants-at-arms come running; net result—one George Higley removed. The invocation that was read, "Business in a state of fear, results of the splendid program. Let us have faith that right makes might to win." Applause.

Tuesday: Ex-Gov. Brewster of Maine. Makes a grand Townsend speech. Youth movement marches.

Wednesday: New York and New England Kiwanis and Rotary discuss Townsend plan—rocks Faneuil Hall doing it.

AT LONG BEACH—Thursday: Terrible crush at Bixby Park. Police—press—and California Pensioner in tangle; finally permitted to work unmolested.

Among those attending the convention opening from the Torrance club were: Mrs. Carrie Swisher, Mrs. Minnie Collier, Mrs. Adeline Smith, Mrs. Folts, Mr. and Mrs. J. Holly Brown, Mrs. Carrie Williams, the Vernon Gliddens, their sons and families; Mrs. Connel, Mrs. H. M. Shields, Mr. and Mrs. H. F. Colburn, Mr. and Mrs. H. F. Mueller, Harry Nelson, Mrs. Alberta Bouldin and guests from Wilmington; Mrs. Laura Davis and guests, S. Nurse, Mrs. Sarah Miller, Mrs. Ella Quigley, Mrs. J. M. Wright, J. K. Delano, C. H. Morford, Mr. and Mrs. Tucker, Mrs. Hubbands, Mrs. R. A. Pruitt and many others whose names were not handed in to me.

My report will be read to the club tonight or July 7 co-incident with the Souvenir Townsend Weekly's report.

GIN SOCIETY

ACTIVE MEMBERSHIP CAMPAIGN PLANNED

According to Mrs. Dewey Quigley, second vice president and membership chairman of Torrance Woman's Club this will be a busy summer. Mrs. Quigley has worked out a number of novel ideas for getting older members active in service groups by dividing the club into two teams naming a captain for each and waging an active campaign for new members.

All dues received by Mrs. Quigley prior to September 1 with the names of club members, who have their dues paid until October 1, 1938, will be included in the year-book, which will go to press on or about September 15. The books will be distributed at the October luncheon meeting at which time all new members will be introduced.

HAROLD WATSON

VIRGINIA COAST MARRY
Harold Watson and Virginia Coast surprised their many friends by slipping away to Yuma, Arizona, where they were married last Saturday. Mrs. Watson, a Pennsylvania girl, resided in Torrance for a time, but for the past year has made her home in Los Angeles. Watson has resided in Torrance for many years, is the son of Mr. and Mrs. George D. Watson, 1915 Andree avenue. He is employed at the Torrance Pharmacy.

Do Leaps Into Bank

ADAMS, Mass. (U.P.)—While Arthur H. Ladame was reading a newspaper in the Greylock National bank recently, a 100-pound doe leaped through a window, landing in Ladame's lap. Ladame suffered only minor injuries. But the seriously cut deer was destroyed.

Spiders in Jelly Exported

LONDON (U.P.)—British chemists are trying to find a method of preserving spiders in jelly for export to the East. Many Eastern races believe that by swallowing spiders they can be cured of disease.
