Donkey Game Scores Hit

Altho the final score read 6
to 3 in favor of the Rotary club,
most of the 600 spectators of the
hilarious donkey ball game at
the city park field Tuesday night
were of the opinion that the
animals really deserved the vic-
tory. The Rotarians were batt-
ling a pickup team recruited
from the stands when the Ki-
wanis club failed to send a de-
legation of players to the enter-
tainment.

The game was sponsored by
the Torrance Coordinating Coun-
cil which realized \$37.30 from
the gate receipts.

Turf Club Wants Land Valuation Cut In Half

Owners of the Los Angeles
Turf Club request that the as-
sessed valuation of the Santa
Anita Park racing track be re-
duced to \$500 an acre from the
figure of \$1,000 placed on it by
the county assessment office, in
a petition pending before the
county board of equalization.

Claiming that the land was
over-assessed, Robert E. King,
controller for the club, said that
the assessor had increased the
value on a parcel of land pur-
chased last year, although the
same use was being made of it.
This parcel was assessed at \$850
before its purchase, but immedi-
ately advanced to \$1,000 an acre,
King said.

Lomita Postmaster Greets President

Postmaster Birda Paddock of
Lomita was a member of the
welcoming committee who greet-
ed President Roosevelt at a Los
Angeles railroad station Satur-
day morning on his arrival from
Yosemite. Miss Paddock said
she had a splendid view of the
President, having been fortunate
to get a place beside his car on
his transfer from the special
train to an automobile for the
trip to San Diego.

Arrostook War To Be Marked
AUGUSTA, Me. (U.P.)—The
State of Maine and the Province
of Quebec are preparing this
year to celebrate the centenary
of the "Arrostook War," a blood-
less conflict over ownership of
12,027 square miles along north-
eastern borders in upper St.
John basin.

were Sam Levy, Dr. R. A. Bing-
ham and Dr. C. L. Ingold. Levy
was especially good—as a player
but not as a rider. He was glad
to give up his seat on a par-
ticularly recalcitrant donkey to
pitch the last two innings.

Twelve donkeys were available
for the players and their antics
together with the efforts of the
riders to maneuver brought many
laughs from the crowd. Two
other features of the entertain-
ment were the exhibition of two
donkey colts, two and four
months of age and a well-
trained dog.

SHERIFF ATTENDS GAME HERE SUNDAY

One of the most interested
spectators at the Sunday ball
game in the city park was
Sheriff Eugene Blewett. His
son was playing in the line-
up of the Sunset Gas team.
Mayor William H. Tolson
met the sheriff and his party
and gave them an official wel-
come to the city.

Hamilton pitched for the win-
ners, allowing but four scattered
hits.

Homer Cheek and Shelby Ven-
able each cracked out two hits
to top the T-L club at bat with
Cheek sending out one good
enough for two bases. The vic-
tory was the third for Lomita
in the Greater Southern Cali-
fornia Baseball association tour-
nament against two defeats.

Next Sunday afternoon, the
crack Goodyear Service club will
come here, according to Manager
Walt Morris of the local club.
Morris returned from a 10-day
vacation trip in time for the
contest last Sunday.
