

Forsakes Concert Career for Marriage

Beautiful 18-year-old Mephathab Menuhin gave up her career as accompanist for her brother, world-famous violinist Yehudi Menuhin, to marry Lindsay Nicholas, with whom she is shown above. They were married at Los Gatos, Calif., and will return to Australia where the 22-year-old bridegroom owns a 23,000-acre sheep ranch.

Negro Likes Ambulance Ride; Has to Be Forcibly Ejected

For most people an ambulance ride holds no particular charms. Nor do they desire to prolong it.

But that was not the case with Negro Shelby Charles of Louisiana.

Injured by a blow on the head, considerably intoxicated and very much irritated, Charles was granted a free ambulance ride in Stone and Myers' vehicle late last week. But he staged a one-man riot when Hugh Sherkey, assistant to Charles Myers and driver of the ambulance, attempted to eject him after a local doctor had pronounced the Negro not in need of hospitalization.

Struck by Motorist

It all started when Charles, who was staying at the Palos Verdes transient camp, decided to sleep off many draughts of cheap wine in the middle of Palos Verdes. Drive. A motorist observed Sleeper Charles' recumbent form about 4:25 a. m., and swerved his car to miss the Negro. But he did not swerve sharp enough. The motorist, William M. Ireland of San Pedro, backed up and moved Charles to the side of the road.

Then Ireland reported the mishap to the San Pedro police, returned and took the injured man in his own car to the San Pedro emergency hospital where Charles received first aid. Deputy sheriffs were called and after investigation Stone and Myers' ambulance was summoned from Torrance to take the Negro to a local doctor. But the physician, after examining the still-intoxicated Charles held that the Negro was able to return to the transient camp.

No 'Discrimination'

That's when the one-man riot started. Charles was adamant in refusing to leave the ambulance and, according to Sherkey, was loud, boisterous and pugnacious. Charles was placed un-

der arrest for disturbing the peace and arraigned before Judge Frank Carroll in the justice court.

Charles told the judge he could not remember what happened and had no "discrimination." But he pleaded guilty and was sentenced to five days in the county jail.

Shop on Bargain Days—Motor Vacationers Due To Spend 4 Billion

WASHINGTON (U.P.)—A record-breaking number of motor vacationers will spend \$4,000,000,000 this summer, according to estimates of the American Petroleum Institute.

The Institute believes the sum will be divided about like this: Transportation expenses, 20 percent; hotels and tourist camps, 20 percent; retail purchases such as clothing, camping equipment and sporting goods incidental to vacations, 25 percent; meals, 21 percent; and amusements and refreshments, 14 percent.

Shop on Bargain Days—Ingenuous Thieves Float Loot, Then Use Hook

CINCINNATI, O. (U.P.)—Thieves who robbed a grocery store here were ingenious.

The burglars succeeded in opening the top compartment of a safe in the store, only to find that the money was kept in the lower compartment. Unable to get that part of the safe open, they poured a bucket of water through a narrow hole in the top and as the currency floated toward it they fished it out with a hook.

The "fishing" netted the bandits \$301.

Train-Racing Drivers In Utah to Be Curbed

SALT LAKE CITY (U.P.)—In Utah it is not only foolish to race a train to a crossing—but it is also against the law.

Let someone should remark that babies can't spend money, those infant guests drank more than 500,000 quarts of milk and more than 4,000,000 ounces of orange juice, just as a start.
