Among the Bible citations in the Lesson-Sermon are these verses from Paul's letter to the Galatians: "For the flesh lusteth against the Spirit, and the Spirit against the flesh; and these are contrary the one to the other: so that ye cannot do the things that ye would. But if ye be led of the Spirit, ye are not under the law"; and the Lesson-Sermon includes also these words of Jesus, from John: "It is the spirit that quickeneth; the flesh profiteth nothing." A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, presents the statement: "Rise in the strength of Spirit to resist all that is unlike good. God has made man capable of this, and nothing can vitiate the ability and power divinely bestowed on man."

State Reunion Plans Progress

Which state has the largest number of natives who are now residents of Torrance. This question will be answered, in part, at least, at the Methodist church, next Thursday night, Aug. 11, when a community program will be staged beginning at 5:30 o'clock. Lunches will be served those who attend.

A community-wide enrollment is under way to determine the home-sites of as many residents as possible and this will continue until the opening of the church program. This work is in charge of a promotion committee, headed by Richard Hogue, which will make an intensive canvass of homes and business houses early next week.

The program committee, headed by Mrs. Guy Mowry, is inviting the state groups to provide short stunts which will characterize their home state. A song or a sketch by an individual may win the prizes offered.

One of the songs that will be sung expresses the theme of the evening of good fun and sociality:

"What does I—O—Weigh (Iowa), boys?"

"She weighs a Washing—ton!"

The lunch committee with leaders of the organizations are making plans for "eats" of various choice foods at a minimum price and provisions will be made to serve a large number. The general committee in charge of this rally invite all community organizations and groups to cooperate in making this mid-summer evening an outstanding event.
