NEW LEASE WILL MAKE BEAUTIFICATION OF WESTERN AVENUE ENTRANCE POSSIBLE HERE

A long-sought beautification project is now expected to get under way here within a few months. This is the landscaping and improvement along the edges of the Pacific Electric right-of-way from Western avenue to Border avenue on Torrance boulevard. Mayor William H. Tolson was authorized by the city council Tuesday night to sign a five-year lease (at \$1 a year) for the two strips.

These strips are to be planted with shrubbery and flowers under the direction of the city gardener. The lease does not include a portion of the right-of-way 80 feet on each side of the Santa Fe viaduct which the Pacific Electric has reserved for its own continued maintenance.

Other business transacted by the council this week was:

Endorse Mayor Darby
City officials were invited to the Los Angeles County League of Municipalities dinner-meeting in Long Beach tonight; attendance of municipal heads at a meeting to be held Sept. 21 in North Redondo when the plight of the "squid" assessment district of Alondra Park will be further discussed was urged by Mayor Colfax Bell of Redondo. His letter stated that Supervisor Leland Ford will speak on his unsuccessful efforts to re-establish a \$72,000 fund for the relief of the district.

Believing that local interests can be best served in county administration matters by a supervisor from the southern part of the supervisory district, Torrance officials indicated they

Church Guild Gets 3 New Members

At their first meeting of the new season, members of St. Cecilia's Guild welcomed three new members yesterday. They are Misses Don Miller, John Miller and John W. Beeman. The Guild, meeting in the Episcopal hall, enjoyed a luncheon and they, with Mrs. Helen Mitchell presiding, discussed the advance sale of tickets for the group's play that is to be presented early in October.

the Cravens apartments, in calling the council's attention to the Friday night disturbances in the alley between the Civic Auditorium and the apartments which annoy his tenants, suggested that "no parking" signs be placed there.

Help Pay Expenses
City approval of the Southwest District Highways association's proposal that Hawthorne avenue-La Brea be designated a state highway from San Fernando Valley to Highway 101 was given in the form of a resolution which City Attorney John E. McCall will prepare and present at the next meeting.

The Women's Auxiliary of the Christian church wrote the council that it would like to bid on any future banquet events which may be held in the Civic Auditorium. The letter was filed for future reference.

An appropriation of \$75 was voted, at the request of Mrs. H. C. Barrington, president of the Torrance Woman's club, to assist that organization in meeting the expenses incurred today in entertaining the Los Angeles District Presidents' Council. The money will be taken from the city promotional fund.

Oil Lease Considered
An ordinance regulating parking on Watson and Carson streets between Manuel and Cota avenues was adopted for its first reading. The measure will enforce certain restrictions in that area adjoining the high school.

Offer of 18% percent royalty in return for the privilege of leasing a drilling site on the city dump property was extended by the Doyle Petroleum to the council. However, City Attorney McCall pointed out that when the city purchased the dump site, the former owner retained one-half interest in its mineral rights. The oil lease offer was held over for more consideration.

In the first monthly report on its activities to be made in several years, the police department informed the council that 69 arrests (including traffic citations) were made in August; two probation cases were investigated and \$349 was collected in city licenses by Harry Slover, recently-appointed deputy collector.

Urges Parking Ban
Vernon Glidden, manager of

lost two tenants, who objected to the racing cars, loud talk and other noise that accompanies the Friday night student dances in the Auditorium.

"It's bad enough to have to listen to the orchestra for three or four hours," he declared. The council instructed John Strohl, director of public safety, to quell the disturbances.

Revives Sidewalk Project
Continuing her efforts to obtain completion of the sidewalk on the east side of Cedar avenue

between Torrance boulevard and Sierra street, Mrs. Carol Brown appeared before the council to urge action on this project. City Attorney McCall pointed out the city cannot by law, install the missing sidewalk links unless property owners consent and pay for the improvement—a job costing about \$250, according to Leonard Young, acting city engineer. The council instructed Young to assist Mrs. Brown in contacting the property owners to get their consent.

Young Nell Silence, garbed in

his Young Musicians of America uniform, invited the council to attend the dress rehearsal to be held by the 55 members of the group Monday evening, Sept. 18, at the Woman's clubhouse. His father, Fireman Walter Silence, explained that the Young Musicians, ranging in ages from five to 18, will give a benefit concert in the Civic Auditorium, Sept. 29, to raise funds that will take the group to the San Francisco World's Fair where it will compete for a valuable trophy.
