

## MORRIS BOOKS TEAMS FOR OCT. GAMES

Five of the Southland's outstanding semi-pro ball clubs have been booked by Manager Walt Morris of the Torrance-Lomita Merchants for games at the city park diamond starting next Sunday, Oct. 2. The first visiting team will be the Los Angeles Colored Giants.

On the following Sunday, Oct. 9, the T.L. Merchants will play the Richfield Oilers. Other games next month are: Oct. 16—with R.K.O. Studios; Oct. 23—with 20th Century-Fox; Oct. 30—with George's Auto Service. Admission to all games is 15 cents for men, 10 cents for women and children are free.

"Ray Olson, who returned this week from training at Ponca City, Oklahoma, will be playing shortstop for us from now on," Morris said. "For pitchers I have Roy Willis of Torrance and Pat Patalano, of Hamilton. One of our mainstays, is recovering from an appendectomy at the Fort MacArthur hospital and will be out of the line-up for several weeks."

## Torrance Boys to See Action For Loyola

Pleased with the showing of his Lion varsity in the opening game of the season, Headman Tom Lieb is now busy whipping his charges into a close knit bat- unit for the first big test of the 1938 season. The Liebmen oppose the finest squad ever developed at the College of the Pacific in Stockton tomorrow (Friday) night at Gilmore Stadium in Los Angeles.

Amos Alonzo Stagg—the "Grand Old Man" of the game whose bushy white hair waves defiance at 78 summers and whose progressive teams "popo" at old conservative football, brings south the toughest early season aggregation Lieb has met in his years at Loyola. So confident is the "Old Man" that his team is a corker that he is scheduled to meet Chicago—his athletic alma mater—later in the year.

Of the four Torrance boys on the Lions' first string, Tony Nef, running guard, and Johnny McEadden, end, are certain to see action in the game. Bob Trezise, quarterback, suffered a minor injury in last week's game with Cal Tech and may not get in the Pacific melee. Billy Acree is also a halfback possibility who is shaping up well.

## Dan Patch's 33 Year-Old Record Equaled; Owner Here

The proudest woman in Torrance today is Mrs. A. F. McConville, aunt of Arnold Berg, manager of the local A. & P. market. Mrs. McConville, who lives in Oceansburg, N. Y., received a telegram this morning that her horse, Billy Direct, yesterday tied the famed Dan Patch's world pacing record that has stood for 33 years.

Mrs. McConville, who is visiting her nephew and his wife here, also owns Calumet Bay, a double-gaited horse that holds world's trotting and pacing records. Billy Direct paced the mile in 1:55 at Lexington, Ky.

### Barr Selects Tartar Varsity

Stymied because he has been unable to schedule practice games for the Torrance high school eleven, Coach Robert Barr this week began casting about among surrounding schools for chances to scrimmage his Tartars in preparation for the opening of the Marine league season on Oct. 14 with Gardena. Barr said that all of the coaches of teams outside of the Marine league had filled up their open dates before he had an opportunity to contact them about practice games.

However, he is going right ahead with the formation of a powerful 1938 grid machine which should do far better than the 1937 varsity which lost every game. Only one returning letterman has been found ineligible for play this year. He was Elmo Hall who came under the 10-year age ban. Barr said he has found his grid candidates unusually alert and interested in learning the fundamentals of the game.

**Bee Material Scarce**  
The Tartar first string is now composed of Harold Trezise and Ed Dawson ends—the latter being new to the varsity; Charles Grubb and John Gandsey, both veterans, at tackle; Gerald Grubb and Harry Slovic, two more experienced players, at guard; Ray Richhart, veteran center; Marvin Goettsch and Henry Pupkoff, lettermen, at halfback positions; Kenneth Perkin, a new quarterback, and Bob Figueroa, experienced fullback.

For reserves, Coach Barr has James Snider, end; Frank Carr, first string last year; and Joe Miles, tackle; Paul Smith and George Peckham, guards; Reggie Smith, center; Dick Beecher, Ferrucia Rossi and Carmel Cook, ends; Alkige and Akira Sumatsu and J. B. Wallace for backs.

Coach Pete Zamperini, who has undertaken the job of mentoring the Class B team, has been having difficulty getting enough boys out to make up a full eleven. He hopes to have enough in uniform in time for a practice game with Leuzinger's Bees Friday on the local field and to scrimmage with Redondo's Bees on Oct. 4.

### Western Auto's Autumn Sale Is On Now

"Don't let Fall rains catch you unprepared, equip your car now for motoring safety and comfort," advises E. E. Murchison, local manager of the Western Auto Supply company in announcing the firm's annual autumn sale, featuring hundreds of greater values.

"Now is the time to anticipate the seasonal motor hazards that lie ahead and to be certain that your car is properly equipped for them," he declares.

"Thoughtful, thrifty motorists who always prepare their car for winter now have learned to appreciate the timeliness of Western Auto's annual autumn sale, and this year as in the past it is featured by greater savings that make it more than worth while in the safety one enjoys to replace worn tires, battery, brake lining and windshield wiper.

"The current double trade-in sale on all Western Giant tires is typical of the values this annual autumn event offers. While our regular tire prices are always so low that Western Giant buyers enjoy real savings, the double trade-in allowance on old tires reduces even further the cost of replacing unreliable tires."

### Bowlers Throng Local Center For Fall Play

With three leagues already playing and two more scheduled to get under way tomorrow and next Thursday, the Torrance Bowling Academy swung into its fall and winter season with a rush this week. Keglers from a number of surrounding cities are thronging to the bowling center here nightly to see the various teams in action and on some nights seating accommodations are at a premium.

The league schedule begins with Monday night when the Lions Club league takes over the Academy. Teams from Lions groups in San Pedro, Inglewood, Redondo Beach, Manhattan Beach, Gardena, South Los Angeles, University and Wilmington are entered.

On Tuesday nights the Merchants' league holds forth. Standings in this circuit are as follows:

Team	W	L	T
Fenwick Shoe Shop	3	0	0
D and D Druggists	3	0	0
Torrance Plumbers	2	1	0
Noisy Five	2	1	0
Colburn's Mkt.	1	2	0
Natl. Home Appliance	1	2	0
National Supply	0	3	0
L. and M. Mkt.	0	3	0

Wednesday night finds the 825 Major league in competition. There are eight teams entered in this division—Pacific Tile, Van and Webb, Supreme Egg, Dave's Market, Schwartz Clothiers, National Supply No. 1, Five Point Cafe and Marine Terminal.

The Columbia Steel league will get under way next Thursday night, Oct. 6, with six and perhaps eight teams entered. Tomorrow night (Friday) a Commercial league of eight groups of keggers will start battling down pins at the Academy on Carson street.

### TO WELCOME GIRLS

The Narbonne girls athletic association will hold its semi-annual welcome for senior high next Wednesday. Vivian Chandler heads the social activities. Entertainment will consist of games and relays on the field, and dancing indoors.

### Gauchos Play Dorsey Friday

Down at Narbonne high school the Gaucho grid machine is being put together by Coaches Bill Sloan and Wayne Sloss minus the excellent services of Carl Oses, last year's star fullback, and Roy Cook, stellar running guard, both of whom became ineligible this fall on account of the new age limit.

The Gauchos are preparing for a practice game with Susan M. Dorsey high's new team, coached by Owen Hansen and Gerald Burcher, former U.S.C. track and grid stars, tomorrow at the Dorsey field. The Bee team, mainly coached by Sloss, are doing battle with the Dorsey Bees today on the Narbonne field.

Sloan has about 36 boys out for varsity football while Sloss is working with an equal number of Class B candidates. The Gaucho varsity is beginning to shape up something like this: Jack Seden and John Lupin, ends; Driscoll Truitt, C. B. Benbow and John Robertson, tackles; Henry Binkley and Ted Matsushima, guards; Archie Ahrends and Dale Cloud, for center with Ahrends showing the best performance to date; Bob Patrick and Milo Roberts vying for the signal-calling berth; Francis Murphy and Johnny Hofstede, right half choices; Lory Garcia, fullback—Tom Moyward having upraised an ankle Tuesday afternoon; Bill Mertz and Vernon Hart, contending for the left half-back position.

### Ask Rehearing On Big Tax Suit

More than two score cities, most of the 58 counties and two Los Angeles legal firms have allied themselves on the side of the Los Angeles county government in petitioning the California Supreme court for a rehearing on a tax suit brought by the Southern Service company.

Appealing to the highest state court to hear the matter again, County Counsel J. H. O'Connor stated in his brief: "This decision involves an issue vital to the whole state. The court has declared, in effect, that the bonds of counties, cities and school districts upon which payments must be made during the so-called 'dry period' of the tax year must become delinquent by mandate of the Constitution."

As a result of this, high PWA officials have assigned Samuel Taylor, regional counsel at San Francisco, to assist the county attorneys. The government's interest is due to the fact that millions of dollars worth of bonds have been posted with it by school districts and municipalities as the sponsor's contribution to many projects. The decision means these bonds would be defaulted.
