

Tartars, Co-Winners of League Title, Play Coliseum Wednesday

12 SCHOOL TEAMS IN SPECTACLE

Just 20 minutes more of football and then the Torrance Tartar team, co-winners with Narbonne's Gauchos of the 1938 Marine League championship, will be history. The local eleven will get that last action tomorrow (Wednesday) afternoon when it plays one of six outstanding "Northern" teams in the Los Angeles Coliseum.

Twelve top-notch grid squads from Los Angeles city high schools will participate in the annual High School Football carnival at the big bowl. Torrance and Narbonne will represent the Marine League in the exciting tussle.

The teams will be divided into two divisions representing the northern and southern sections of the school district. Each pair will play a 20-minute period with no "time out."

At the end of each playing period the ball will be declared "dead" where it is and the next two teams will take up the game from that point. Constituting a continuous game of six 20-minute periods, this north-south contest promises to be the greatest pre-school football spectacle of the year.

Teams representing the South will be Manual Arts, Roosevelt, Fremont, Torrance, Narbonne, and Jordan. North teams, listed in the same order, are Los Angeles, Fairfax, Franklin, Jacob Rite, Eagle Rock and North Hollywood. Torrance in meeting Rites, takes on the champion of the Eastern league, Narbonne meets the top team of the San Fernando league. In addition to the games, 26 high school bands with a color guard from the R.O.T.C., will parade in mass formation. Admission to the two events, which start at 1:45 o'clock tomorrow afternoon, will be 50 and 30 cents for adults and 15 cents for students. The net proceeds will go to the P.T.A. milk fund for playground work among underprivileged children.

Narbonne Defeats Gardena to Tie Torrance for Championship

Walloping Gardena high 18 to 0, Narbonne's Gauchos joined Torrance high's Tartars for a double grip on the Marine League title for 1939 last Friday. The co-winners of the championship each won two games, lost one and tied one. Torrance did not play last Friday when the league season ended, having drawn a bye.

Final Marine League Standings

Team	W.	L.	T.
TORRANCE	2	1	1
NARBONNE	2	1	1
GARDENA	2	2	0
BANNING	1	2	1
San Pedro	1	2	1

RESULTS LAST FRIDAY

Final League Games
Narbonne 18; Gardena 0
San Pedro 15; Banning 6

Teams Share Bee Crown

Although San Pedro and Banning's Class B football teams fought to a scoreless tie last Thursday to wind up their Marine League schedules, both teams emerged as co-champions. San Pedro, which won the league title makes the third year for the Pirate Bees while Banning, winner of the Pacific League crown for the past two years, moved into the titular class in the Marine division.

Boss Works in Place of Boy Hurt on Job

Johnny Parker, manager of the meat department at the A & P Food Market, never knew Boy Scout but he did a good turn last Sunday that would warm the heart of any Scout. Parker's act made it possible for 10-year-old Harry "Red" Slover to keep up his schedule of Christmas savings for gifts for his family.

Young "Red," whose flaming locks are well-known to most patrons of the A & P, accidentally stabbed himself in the groin while working last Saturday night. He was taken to Torrance Memorial hospital where his wound and a severed artery were treated. "Red" was quite downcast because he had to be bedded at the hospital over Sunday because he had a regular Sunday job in a meat market operated in Hollywood by Parker's brother.

Johnny, knowing how his young helper had planned his Christmas savings, voluntarily took Slover's place and worked an extra shift. On his return home, he went to the hospital, took "Red" home and then gave him the \$5 he earned working for him. Although he lost considerable blood, "Red" was able to attend school this week and resume his job with his "Good Turn" boss.

Six Patients Enter Hospital

New patients at Torrance Memorial hospital are: Miss Elizabeth Blockford, Hesperia, for medical treatment, Sunday; Slim Cuzick, Redondo, for an appendectomy, Sunday; Mrs. Julia Goss, Redondo, for treatment of pneumonia since last Wednesday; Mrs. Elizabeth Harney, Gardena, for medical care of a fractured hip since Sunday; Robert Poe, Columbia River, for surgery on Saturday; and Lola Winter, 16, of Wilmington for an appendectomy performed yesterday morning.

Registrations For '39 Elections Are Now Open

New registrations are again being taken at the office of the registrar of voters W. M. Kerr, following the election just concluded. Kerr's office is at 242 South Broadway, Los Angeles.

It has not been possible to change one's address on registration rolls or to register since 40 days prior to the election. About the end of the month, Kerr will start his staff to work "weeding out" the names of persons who did not vote at either the primary or general election this year. Those persons then will be required to re-register after Jan. 1, before they can vote at future elections.

Changes in Job Insurance Act to Be Discussed

Proposed amendments to the unemployment reserves act will be discussed at a meeting in Los Angeles Nov. 21 and 22 of the state unemployment reserves commission.

J. B. Matthews, president of the commission, said he will suggest a reduction from four weeks to two of the period workers must wait from the time they are laid off before they begin receiving them. Commissioner John Horn, representing labor, said he will propose an increase in the amount to eligible jobs.

"The state federation of labor expects to have ready for the opening of the legislature an amendment that will raise the present \$7 minimum and \$15 maximum a week for job insurance checks to a \$9 minimum and \$18 maximum."

"ENCHANTED VAGABONDS" by Dana Lamb and June Cleveland: How would you like to live for six months on an uninhabited island? Here is the adventure you have dreamed of in this narrative of a young couple who set off from the California Coast with a canoe and \$4 and finally wound up in Panama. From the time they began to paddle toward the Mexican border until they paid a toll of 75 cents to take the smallest ship on record through the canal, they lived, breathed, thought and fed upon adventure.

The story of the journey is fascinating and fearful. What they endured is frightful but the Lambs, who grew up together, trained themselves for their hardships as they planned the trip for years. Full of hardihood and spirit it was an exhilarating experience, out of it they found values more lasting and deeper spiritual peace than so-called civilization showed them and their record proves they earned this reward.

Police, Firemen's Shows Attract Record Crowd

Amateur shows may come and go but professional entertainment is still tops in the field of community attractions. This was proved conclusively last Friday night when more than 1,600 persons attended the two showings of the 10-act vaudeville bill presented in the Civic Auditorium by the Torrance Police and Fire department.

The first show was given before an audience estimated at 1,400 and the second performance of the Fanchon and Marco acts drew more than 600. The total number of spectators topped all records this year for paid entertainment features in the Auditorium, according to the officers and firemen who staged the bill. Generous with its applause, the audience appeared to like every one of the acts presented. Ted Leary, as master-of-ceremonies, added much to the entertainment and each act was staged well. As result of the record attendance, the Police and Firemen's retirement fund was collected appreciably. Director Stroh of the public safety department expresses, on behalf of the men, sincere thanks for the patronage.

T. H. S. Alumni Ban "Jitter" Music for Dance

Are the old grads of Torrance high school getting brittle? Are their years so great that they cannot keep up with swing music and its devotees, the jitterbugs? Or is their advertisement in today's Herald the first sign of "swing revolt?"

These conjectures are predated on the line in that advertisement: "Sweet Music—No Jitterbug Rhythm."

However, the T.H.S. Alumni have retained Charles W. Lester and his 12-piece orchestra to provide excellent music—waltzes, fox-trots, two-steps if not the shag, stomps, Suzy-Q or the Lambeth Walk—for their Christmas benefit dance. This will be held Saturday night, Dec. 3, at the Civic Auditorium and those who like "sweet music" are cordially invited to attend at the rate of 50 cents per person.

Mayor Endorses Seal Sale Drive

Calling upon residents of Torrance to give their full support to the 52nd annual Christmas Seal Sale, which officially opens Thanksgiving Day, Mayor William H. Tolson issued the following proclamation:

"WHEREAS, the protection of the home is the duty of every citizen; and

"WHEREAS, tuberculosis cost the lives of 70,000 persons in the United States during the past year, 40,000 of whom were young people under 45 years of age; and

"WHEREAS, the greatest loss is to the worker in wages and to young children left needlessly fatherless and motherless, I earnestly urge that every resident of Torrance accept the Christmas Seal as a personal pledge to help stamp out a disease that is preventable if we will but provide funds to make available to every child and young person the protective measure science has already discovered.

(Signed) "W. H. TOLSON, Mayor of Torrance."

Toy Drive Is Under Way Here

All Torrance children and parents are invited to join the drive, now in progress here, to replenish the stock of toys at the Torrance and some 30 other Toy Loan libraries in the county. The Toy Loan headquarters in the Girl Scout building on El Prado will be glad to receive the gifts of playthings which are still in good condition.

Heading the committee arranging for the pick-up of used toys is Mrs. Fay Parks, Business and Professional Women's club representative on the Co-ordinating Council.
