

# More Jobs Being Filled Thru State Service; Fewer Compensation Grants

## OCTOBER CLAIMS FOR JOB BENEFITS SHOW DECREASE

Good news to workers comes from James L. Matthews, chairman of the State Unemployment Reserves Commission, who discloses that jobs filled by the California State Employment Service have gone up consistently of late, and plans are under way to extend benefits payable under State unemployment insurance.

"The two divisions of the Department of Employment, the free employment agencies and the job insurance division, have been on the job to serve workers, employers and public with very satisfactory results of late, now that we have come through the recession period which happened just when the organization of the department began," Matthews said.

"We have both feet on the ground now and here are the results: 23,677 jobs filled in October against 21,448 in September, continuing the acceleration of job placements made by the public employment service."

**\$15,332 Distributed**  
Unemployment compensation payments in virtually every community of California decreased during October over the amounts paid out in September, Edwin A. Bird, manager of the Torrance-South Bay office of the State Department of Employment announced today.

Bird said the decrease was due principally to the fact that the month of September saw the lowest number of claims for compensation filed during the year, 42,882. Claim payments commenced five weeks after filing.

In the Torrance-South Bay district, Bird said, a total of 492 checks were distributed during the month of October, representing funds in the sum of \$15,332.18 in this area.

**Collection Total Given**  
October payments bring the cumulative total to 15,509 checks since Jan. 1, representing \$189,278.20 in this area. Throughout the state, 197,534 checks were paid out in October, amounting to \$1,923,901.39. State totals of all checks up to October 31 were 1,971,094 payments in the sum of \$18,840,407.5.

While all employers have not yet cooperated by contributing

## TORRANCE HIGH LIGHTS . . . by Harvey Abramson

### TOY DRIVE CONTINUED . . .

Last week the Tartar Knights sponsored a toy drive. The response to the drive wasn't very good, so it was continued this week. All toys received are reconditioned and disinfected in Los Angeles, and then sent to the Torrance Toy Loan Library. Mrs. Messner, Torrance's chief toyarian, operates her branch just like a library. The children have cards and may borrow toys provided they bring them in good condition. All playthings are disinfected before being loaned out.

Come on, everybody, you're sure to have some toys around the house that you don't need any more—besides, you're old to play with dolls, and your donation will bring pleasure to Torrance children.

### SHIRTS . . . IT'S A SECRET . . .

Last week at a secret meeting, the Senior Bees had a very hot session trying to decide on their class sweaters. Although it isn't supposed to be shown, they are seriously considering the color combination of duobernet and white. There was also quite a discussion on the type of sweater to be chosen. The girls are to wear jacket sweaters, but the boys are undecided whether to have jackets or slip-ons.

### TUBERCULIN TESTS

During the week the students were addressed by Dr. Swarthout, an authority on tuberculosis, who showed some pictures dealing with the disease. Later in the week the students took home cards on which parents gave their consent to a tuberculin test. This test is harmless and shows whether or not a person has tuberculosis. If the test shows that T.B. germs are present, a free X-ray is given.

### BOUGIT . . .

Over the weekend some members of the F.F.A. stayed at the Clear Creek Forestry Center of the L. A. city schools which is 14 miles below Mt. Wilson observatory. The Center has been in operation for ten years—and it has been teaching boys the value of reforestation. The F.F.A. boys cleared some ground for reforestation during their stay and decided Friday night they visited the Mt. Wilson observatory, and were lucky enough to see Saturn thru the 16-inch telescope. They hope to have many more similar trips under the supervision of Mr. Stone, faculty sponsor.

### Pistol Team Wins Norwalk Match

A 50-point margin gave a Torrance revolver squad a win again in a match, one of a long series, with deputy sheriffs attached to the Norwalk sub-station Monday. Members of the local squad were Sergeant Ernest Ashton, Harry Boynton, Gene DeBra, Percy Bennett and Hugh Eckersley.

### Golf Ball Fells Rabbit

ALVA, Okla. (U.P.)—Carson Conway of Medford says he couldn't do it again. Playing on an Alva course, Conway hit a golf ball and the ball hit and killed a rabbit.

As required by law, collections to date are \$128,410,529.30. Collections began Jan. 1, 1936, and for two years went into the reserve and placed in trust at Washington. This money can be paid only in benefits—it cannot be touched for administrative or other purposes.

## Tartars to Play Riis in Title Race

### Goettsch Scores in Coliseum Grid Classic

### Former Tartar Loyola Captain

LEO ROSSETT . . . watch him in '39

Left in a bad hole by Narbonne—the South's 22-yard line—the fighting Tartars from Torrance galloped on the L. A. Coliseum greensward Tuesday to do battle against the strong Jacob Riis eleven in the annual Football Carnival. Riis scored after marching 55 yards on six plays, the tally coming on Purdue's five-yard left end run. But the Tartars blocked the conversion kick.

But the Torrance eleven was over whiter sweat-fright it suffered in performing before 65,000 people and banged away resolutely to its own 47-yard stripe from the Riis kickoff. Henry Pupkoff tossed a flat pass to Marvin Goettsch and that shift little back promptly streaked 53 yards for the South's first touchdown. The score came after a 75-yard sustained drive by the Tartars and Kenneth Perkin booted the extra point to give the South a lead.

The gun barked while Goettsch was running like a frightened rabbit for the promised land. In the next period of 20-minute play Fremont scored against Franklin to advance the South's lead to 13 to 6 but Los Angeles high battered thru Manual Arts for a touchdown and conversion to once more tie up the P.T.A. milk fund classic, 13 to 13.

### In City Playoff

Torrance was officially declared champion of the Marine League earlier this week and presented with the league trophy.

The Tartars will compete in the L. A. City high school playoffs running up against their Coliseum opponents—Riis high—in the latter field Dec. 2. Other play-off games will be Fremont (Southern League) vs. Roosevelt (Northern) at the Coliseum, Rose Bowl or Gilmore Stadium, Dec. 1; Los Angeles (Western) vs. Los Angeles City at the Coliseum, Dec. 9 for the major Los Angeles city title. Eagle Rock will face the winner of the Torrance-Riis tilt on Dec. 9.

The Tartars made 21 yards by scrimmage against Riis in the Coliseum, two first downs, tried two passes and completed one (Pupkoff to Goettsch for 53 yards and a score) and booted a 36-yard punt. Riis made 57 yards by scrimmage against Torrance, one first down, tried one pass without success.

**Barr Treats Squad**  
Narbonne playing against Eagle Rock made 15 yards by the scrimmage route one first down tried three passes without connecting and kicked two punts for an average advance of 37.5 yards. Coach Barr of the local school used the following opening line-up: Snyder and Ross, ends; G. Grubb and Carr, tackles; C. Grubb and Hammi guards; Richart, center; Pupkoff, Shimatsu, Goettsch and Perkin in the backfield.

Former Tartar Coach Roy Cochran served as field umpire during the Coliseum games. Coach Barr treated his entire squad to a dinner while enroute to the big bowl.

### Cyclist Rides Safely 42 Years

SPRINGFIELD, Mass. (U.P.)—

In recognition of his sterling performances with the Loyola Lion Cubs during the late grid season, Leo Rossett, Torrance high grad last year and All-Marine guard, was elected captain of the Loyola Freshman football team this week. He was an outstanding guard for the eleven all season and also served as team captain for the Loyola St. Mary's frost contest that was played in San Francisco.

Coach Tom Lieb, whose resignation was announced Tuesday, says that Rossett is one of the best linemen ever to play on the Loyola first-year squad and should see plenty of action next year. Among the possible successors to Lieb, the name of Bernie Donahue, coach at Torrance high for years until 1937, is prominently mentioned.

### Lomitas Fete Gaucho Team; Comrade Talks

Nearly 200 residents of Lomita attended the football banquet held Monday night at the Narbonne high school cafeteria in honor of the Gaucho grid team that ended its 1938 season in a tie with Torrance for the championship of the Marine League. Former Coach Ben Comrade was a surprise guest and he was given an ovation when he introduced. He gave an impressive talk in which he pointed out that "our school athletic program is one part of our nation's answer to totalitarian governments which train kids with guns."

Other speakers were principal John Abbott, Roy Becker, member of the Los Angeles school board; Coach Bill Sloan, Secretary H. H. Halladay and President Hugo Schmidt of the Lomita Chamber of Commerce who sponsored the affair. Schmidt served as chairman.

As guests of honor, members of the Narbonne varsity were presented by Coach Sloan who announced that Jack Sedon was elected team captain for the season.

### GRAB IN GAME

Big Albert Winkler, Torrance grad last year who has been playing in the line for Compton Junior college, will probably see considerable action Saturday when the Compton Tartars clash with Los Angeles City College's eleven on Wrigley Field.

Edward Burt has ridden a bicycle for 42 years without an accident.

## To You Who Have Made CHEVROLET THE LEADER We Extend Our Heartiest Thanks

And we also thank you for the record reception you are giving to the new Chevrolet for 1939, which plainly indicates that once again "Chevrolet's The Choice!"

Thanks to you, the motor car buyers of the nation, Chevrolet has again won first place in passenger car and truck sales in the year 1938 to date. This is the seventh time in the last eight years that Chevrolet has won leadership in motor car sales, and the definite preference for Chevrolet and its products is greatly appreciated by both Chevrolet and its dealers.

Thanks to you, also, the new Chevrolet for 1939 is now winning the largest public acceptance ever given to any new Chevrolet, making it plain that "Chevrolet's The Choice" again for the forthcoming year.

Chevrolet always endeavors to bring you the highest quality motor car it is possible to build, and to price Chevrolet motor cars so low that they will be the nation's greatest dollar value. Naturally, it is pleasant to have you tell us we have succeeded, by giving such wholehearted preference to these products year after year.

May we take this opportunity to thank you again most sincerely for your preference and good will. And may we also renew our pledge to do everything possible to deserve your continued friendship in the future.

**Your Local Chevrolet Dealer**
