Officials Exchange Presents Tonite...

Nearly all members of the city council plus City Clerk A. H. Bartlett, Acting City Engineer Leonard Young and City Attorney John E. McCall are scheduled to attend the monthly dinner-meeting of the Los Angeles County League of Municipalities tonight at the Los Angeles police pistol range clubhouse in Elysian Park. Those attending have been asked to bring 25-cent Christmas presents for exchange.

Man and Wife Are Patients at Hospital Here

Five new patients entered Torrance Memorial hospital during the past week. One of them, J. E. Boos, a barber who resides at 2264 Sierra street, is recovering from an appendectomy a few doors from the room where his wife, Constance, is recovering from the birth of a daughter on Dec. 6. Boos entered the hospital early Tuesday morning, suffering from a ruptured appendix.

Mrs. Juanita Brooks, Redondo Beach, is recovering from an appendectomy performed late last week. She entered last Thursday. Robert Fashbaugh, also of Redondo, underwent an appendectomy last Thursday. Fay Gregory, Wilmington, has been a surgical patient since last Friday and John Lawrence, Hermosa Beach, has been undergoing medical treatment since Tuesday.

City May Subsidize Walteria Programs for \$10 Monthly

Altho City Clerk A. H. Bartlett cast a shadow of doubt on the legality of the appropriation, the city council voted Tuesday night to grant \$10 a month to the Walteria group which is presenting regular entertainment programs in that community. City Attorney John E. McCall is expected to study the matter to determine if the city can expend the money according to municipal law.

The request for the grant, by John Minor of Walteria was originally made of the Chamber of Commerce. The chamber passed the request to the council. Bartlett said he doubted the legality of such a monthly appropriation because the entertainment it will pay for is outside the jurisdiction of the city Recreation department.

However, Dale Riley, director of that unit, assured the council that the Walteria project was worthy and that it was well worth the city's endowment.

TORRANCE HIGH LIGHTS... by Harvey Abramson

SOCIAL EVENT... Army Dowell, Harvey Abramson, Bill Nagel and Walter Marek, members of the Social Arts class, had, Principal Thomas Elson and Francis Waddingham as their guests at a Christmas luncheon yesterday.

"CAN DAYS..." The G.A.A. is holding its "Can Days" today and tomorrow, at which time the girls are taking up cans of food for the needy people who came here from the dust bowl and haven't been here long enough to be eligible for relief. It's a very worthy cause and the girls want everyone to bring at least one can of food.

VOYELERS YODEL... At a pay and call today the student body was entertained by R. Fraunfelder and his three children who gave exhibitions of Swiss music. They are the only four-part yodelers in the United States and their performance was enjoyed by all who attended.

RELIEF DRIVE... The Torrance Relief Society is holding another drive this Friday and are trying to fill their envelopes with nickels and dimes for needy families here.

SORRY TO REPORT... There have been quite a few reports around school lately to the effect that school would be let out a week before Christmas. Sorry as I am to report it, school will not be let out until noon, Friday, Dec. 23.

Man Goes by Parcel Post
THE HAGUE (U.P.)—Packed neatly in a large and correctly labelled case, an Englishman arrived safely in Amsterdam from London by parcel post on board a machine of the International Air Freight, Ltd.

Dogs to Be Inoculated
VISALIA (U.P.)—Seven thousand dogs in Tulare county are scheduled to become acquainted with a new phase of life. Under a new ordinance they will be immunized against rabies.
