### Design of New Assembly Hall Is Described

(Continued on Page 2-A)  
building is earthquake proof and is highly efficient in regard to accommodation, economy of operation and accessibility. The acoustical treatment of the hall is revolutionary because it is designed to control and build up the sound waves.  
The material used throughout the interior has been selected from this point of view and the succession of oblique planes in the ceiling is one of the designer's unique ideas for sound control. A patent on the methods employed in the structure has been applied for by the architect, Wesley Eager of Los Angeles.

### New Details Being Added

The ventilating and heating equipment is of the best and the building has been planned so that there will be no drafts nor house noises. The practicability of the ample stage is enhanced by adequate dressing and costume rooms below stairs, for both boys and girls, and a standard switch board which controls strip, foot and spot lights. A complete projection booth is placed at the rear of the auditorium.

New details are being added daily and we understand that early in the new year Torrance will enjoy a completed building which will compare favorably with any to be found in the Southland.

Here are some recipes that will prove pleasing to your holiday guests—and also to the members of your own family. Try them and you will file them in your "special" file:

Orange Toast  
(Serves 6)  
1/2 cup orange juice  
1 teaspoon grated orange rind  
1/4 cup sugar  
6 slices buttered toast  
Mix orange juice, rind and sugar. Spread on toast and bake in hot oven or under broiler to brown.

Egg Noodles with Veal Cutlets  
Egg noodles, like other forms of macaroni products may be served in economical "meat-and-vegetable" combinations which have all the flavor of meat with only a small portion of meat. As a delightful change, try genuine egg noodles with veal cutlets.

1/2 lb. egg noodles  
2 cups milk  
1/4 cup flour  
1 cup bread crumbs  
6 veal cutlets  
1/2 cup butter  
1 egg  
Pepper and salt  
Sprinkle veal cutlets with flour, salt and pepper; dip into well-beaten eggs and roll in bread crumbs. Fry in butter till well done. Remove cutlets to a platter and keep hot. Add remaining butter to pan; add flour and stir until smooth. Season with salt and pepper and then add milk. Cook till well blended. Boil egg noodles in salted water until tender. Drain and heap over the cutlets. Pour sauce over all and serve hot. (6 to 8 servings.)

Note: Spaghetti, macaroni, vermicelli or other shapes of macaroni products may be substituted for the egg noodles in this recipe.

Broccoli Polonaise  
Wash broccoli thoroughly and let stand in cold water 15-20 minutes.

Vanilla Rennet-Custard  
with Marshmallow Cherries  
1 package vanilla rennet powder  
1 pint milk  
1/2 cup whipping cream  
1/4 cup sugar  
1/2 cup marshmallow cherries  
Make rennet-custard according to directions on package. Then chill in refrigerator. When ready to serve, whip the cream, adding sugar and mixing well. Squeeze through a pastry tube and decorate top of each rennet-custard. Garnish with sliced cherries.

Magie Cranberry Cream Pie  
1 1/2 cups (1 can) sweetened condensed milk  
1/4 cup lemon juice  
1 cup cranberry pulp, drained  
2 eggs, separated  
baked pie shell  
Blend together sweetened condensed milk, lemon juice, cranberry pulp and egg yolks. Pour into baked pie shell (9 inch). Cover with meringue made by beating egg whites until stiff and adding sugar. Bake in moderate oven (350° F.) 15 minutes or until brown, or omit meringue and garnish with whipped cream. Chill before serving.

Motorist Held  
for Hit-and-Run  
(Continued from Page 1-A)  
The scene of the accident belonged to his car. We could tell that because one of his car's headlights is damaged and the lens is missing," Stroth said. "There is also a recent dent on one of his car's front fenders. Butterworth claims it was raining hard about the time he was driving west on 182nd street. But it was not raining at the time Miss Broadman was struck."

Companion Is Unhurt  
Miss Broadman is now confined at her home, after receiving treatment at Torrance Memorial hospital for a severe laceration on the left side of her head, a fractured right ankle and numerous cuts and bruises about her arms and body. Her companion Tuesday night, Evelyn Coffey, 18, of El Nido, was not hurt.

Two girls were walking west on 182nd street, enroute to their homes from a Perry school Christmas party. The hit-run motorist was driving in the same direction and struck Miss Broadman, who was walking on the north side of the street with Miss Coffey at her right. After the accident, the girls' screams

aroused residents in the vicinity and the police were called.

The girls told Sergeant Schumacher and Officer Bennett that the motorist was driving an "old dark-colored sedan" and he made no attempt to stop after hitting Miss Broadman. He continued west into El Nido, they said.

With the discovery of the damaged headlight rim and broken lens in the road, police here sent out a request to Redondo, Manhattan and Hermosa Beach police to be on the lookout for a car with a single headlight.

Director Stroth arrested Butterworth yesterday afternoon after he had received further information about the case.
