

Parent Classes Link School With Home

Parents and educators recognize the importance of parent study projects. Several factors may be noted as contributing to this development.

Parents are usually interested in the functional type of education which deals with the problem of living. In years past the academic program of the school was so foreign to parents as to make them feel uncomfortable when they visited the schools. The only reason parents ever did visit was to voice complaints.

Educational thought and practice have increased the importance of parent understanding. Instead of schools being concerned solely with knowledge and skills, they now include in their curriculum the whole child—his interests mental and physical, his feeling of adequacy. Experiences of children in their homes are among the most important factors in his development.

It is for this reason that members of the High School Parent Teachers Associations urge all parents to avail themselves of the opportunity to attend the parent education classes now being conducted in the high school bungalow each Wednesday from 9 to 11 a. m. Mrs. Lorna Wright is instructor.

Yesterday morning Dr. Frances Giles of the Los Angeles City schools addressed the assembly on the subject of venereal diseases and showed slides dealing with this scourge.

Lomita Club Holds Yule Party After Year Is Week Old

The Kosmos club of Lomita claimed the record this week of holding the most unusual "Christmas party" of the 1938-39 holidays. The festivities, which began with a dinner, were held Saturday night, Jan. 7, at the home of Panny Firmer at 25213 Oak street.

Members had originally planned their party for before Christmas but the press of other Yuletide activities prompted them to decide that their holiday gathering could better be held at a later date.

So on Saturday night, with the new year a week old, turkey dinner with the trimmings was enjoyed. Following the regular business meeting, Kosmos members exchanged gifts around a 1938 tree which had somehow survived the Yuletide.
