

High School P.T.A. Observes Founders Day and Third Birthday Monday

National Officer Speaks at Gala Luncheon Gathering

"What Is Democracy?" This was the topic of the talk given by Mrs. C. H. Turner, vice-president of the National Parents and Teachers and regional director of Western States, when she appeared as guest speaker at the Founders' Day meeting Monday, of Torrance high school Parent Teachers Association.

Mrs. Turner said that "Democracy in our organizations means keeping our self respect, being tolerant of the opinions of others, friendliness, freedom of speech, checking of private jealousies and stimulating others in their pursuit of happiness." She urged members to work in their community and realize that if each community cares for its own problems there will be few for national administrations to solve.

Twenty girls of the ninth grade who comprise the school rhythm class, presented a varied program of dancing. Attired in the lovely frocks of long ago, the girls danced the "Sweethearts Waltz" and responded to several encores. "Ye Hat Shoppers" given by members of the same group, was a treat indeed.

Sleeth, who was guest of honor for the day, this being the third birthday of the unit. Other guests included Mrs. Jack Lowry, president of Gateway Council; Mrs. J. O. Bishop, first vice president; and Mrs. C. Williams, publicity chairman for Gateway Council.

Following the luncheon, tea was served and a lovely Founders' Day cake was cut by Mrs. E. E. Banks, chairman. Cakes were presented to Mrs. Woodcock, president of the high school association, and to Mrs. Sleeth. Valentines of hearts and flowers were given all guests. Assisting Mrs. Banks as hostesses were Misses I. C. Rous, Edna Stone and M. Edwards.
