Reaves to Make Council Race

Assemblyman Fred A. Reaves, who recently obtained nominating petitions as a prospective candidate for the Los Angeles city council, has received official endorsement of several political clubs of the 17th congressional district.

The caucus, he said, was held at Gardena. Delegates voted to 14 in favor of the San Pedro legislator, dividing the opposing votes 10 to 4 between two other candidates for the council berth.

Reaves, who is now in his third term at 68th district assemblyman, is expected to file his nominating petitions before the deadline this afternoon.

Nineteen persons originally obtained petitions but up to present time today only four, in addition to Reaves, filed their petitions. They are Ben Wood, Franklin P. Buyer, incumbent; Edward Kozin and J. C. Holland.

Wants Alley Paved to Get FHA Loan

Because he wants to obtain an F.H.A. insured loan for a new residence on Beech street close to the Santa Fe railway tracks, Stephen Schmidt of 728 Border avenue has asked the city council to pave a portion of the alley in the rear of his prospective home. The improvement must be authorized by the city before the F.H.A. will approve his loan application. Schmidt stated. The matter was referred to the city engineer's office for a report.

West Expelled from City for Two Years

Charged with petty theft of an electric sweeper in a warrant signed by J. C. Smith of the Torrance Investment company, James West, 25, was arrested last Sunday afternoon at 1108 El Prado.

West, who has figured in police reports several times during the past several years, pleaded guilty to the charge. He was fined \$200 or 180 days in jail, of which \$175 was suspended on condition that he remain out of Torrance for two years. He agreed to the expulsion.

Disario Addresses S. P. Kiwanians

Members of the San Pedro Kiwanis club heard a talk last Friday on present-day conditions in Italy by John Disario, chief metallurgist of the Columbia Steel company here. The speaker, who made a trip back to his former homeland several months ago, urged his San Pedro listeners to renew their faith in the United States and be thankful for the privileges of being American citizens.

"Gas Buggy" Still Bums BUCKFIELD, Me. (U.P.)—One of the first "gas buggies" ever built is still in running condition here. It can go 12 miles an hour in eight-horsepower. It has wood wheels, a tank for water, and is without brakes or radiator.

Letters to the Editor

"SHARE IN RICHER REWARD"
"Editor of The Herald,
Torrance, Calif.

"In behalf of the board of directors and members of Jared Sidney Torrance Memorial Hospital, I wish to express most sincere gratitude to all those who helped make the hospital benefit ball last Saturday such a noteworthy success.

"I am informed that over \$560 will be turned over to the hospital for the purchase of added equipment, and I believe the major credit for this splendid gift rightfully belongs to Mrs. Bettina Miller, president of the National Business & Professional Women club, Mrs. Roxie Sleeth, chairman of the ticket selling campaign, and other members of the club who worked so ardently.

"While no one connected with the promotion of the benefit ball received any monetary compensation, I am sure they all must share a richer reward in the knowledge that the work they did will help to minimize human suffering and perhaps save the lives of those afflicted.

Sincerely,
(signed) R. R. SMITH,
Vice-President
Torrance Hospital Association"

Fair Queen

Audrey Anderson, entered as Miss Metropolitan Oakland, won the title of Queen of the World's Fair Premiere at the Golden Gate International Exposition.

Sea Moss May Have Use BOOTHBAY, Me. (U.P.)—Arthur R. Greenleaf, Sea and Fisheries commissioner here, sees a possible new industry in the potentialities of sea moss and eel grass as filling and padding in furniture constructions.

There was only one failure of a national bank in 1938.

Net proceeds to be turned over to Jared Sidney Torrance Memorial Hospital from the benefit ball held last Saturday evening will exceed by at least \$100 the amount realized from the party last year, according to Mrs. Roxie Sleeth, chairman of the ticket sale campaign conducted by the Torrance club of the National Business & Professional Women.

This fact, plus the highly enjoyable time reported by the 400 people who attended the ball at the Civic Auditorium certainly qualifies this year's benefit as a success, socially and financially. Collections from ticket sales to date are \$703 with a number still to report. Expenses totaled \$142, leaving a net profit to be turned over to the hospital of \$561 with the expectation that this will be increased when the final check-up is made. Members of the N. B. P. W. donated their services as a part of the club's community service work. Last year's benefit ball netted \$460 for the hospital.

Door prizes were awarded Saturday evening to Mrs. Marvel Fisher of Redondo Beach, first prize of \$25; Miss L. W. Fraser of Torrance, second prize of \$15; and E. A. McBride of San Bernardino. Mrs. E. A. McBride took to Parker and Boulder Dam was most enjoyable, they reported.

Funds raised thru the benefit balls each year are used to purchase new equipment as required in the advancement of medical and surgical science.

what they're doing

Mrs. Thomas Griffith, of East Orange, N. J., was a houseguest of Mrs. Florence Welch, 1510 Engracia avenue, this week.

A sandstorm west of San Bernardino damaged Fireman Gordon Northington's car extensively last week-end but the trip he, Mrs. Northington and Mr. and Mrs. E. A. McBride took to Parker and Boulder Dam was most enjoyable, they reported.

Mrs. M. L. Darling, 2371 Maricopa Place, has returned from Reno, where she was called to be with her sister, Mrs. Less Edmunds who recently underwent a serious operation.

Mr. and Mrs. Frank Ermer of Cleveland, Ohio, visited Thursday with Mr. and Mrs. W. T. Dilliker, 1403 Cota avenue.

Mrs. John Disario, 1448 Engracia avenue, is in a Los Angeles hospital, where she recently underwent a minor operation.

E. M. Johnston, 1404 Engracia avenue, arrived home Monday after spending a week with his mother, who has been seriously ill in Youngstown, Ohio.

Truck Blaze Breaks Record

A fire in a truck welding machine parked near 229th and Narbonne avenue last Thursday afternoon "officially" broke the city record of no blazes that far into 1939 but firemen discounted the alarm because little damage was done. A brush on the car's motor shorted and started the fire.

Bride's Excuse Falls Flat SAN FRANCISCO (U.P.)—A young bride, arrested for zooming past a policeman at 45 miles an hour glanced furtively at the judge and told him it was all because she was so worried about getting home in time to prepare a good dinner for her new husband. She was told that it was an "old one," but got off with a suspended sentence.

Narbonne Students Plan Jitney Dances

A five-cent afternoon dance will be held at Narbonne high school every other Wednesday, from 3:15 to 4 o'clock under the sponsorship of the Lomita H.Y. A phonograph will provide the music and the proceeds will be funded for the purchase of a public address system for the football field.

HOW TO SLEEP SOUND Drink six glasses soft on distilled water daily if functional kidney disorders cause waking up nights, frequent or scanty flow, burning or backache. You know what hard water does to a teakettle. Also flush kidneys as you would the bowels. Help nature eliminate excess acid and other waste. Ask any druggist for Bilets.
