"Christ Jesus" is the subject of the Lesson Sermon on Sunday in all Churches of Christ, Scientist. The Golden Text is from Paul's letter to the Colossians: "Let the word of Christ dwell in you richly in all wisdom. . . And whatsoever ye do in word or deed, do all in the name of the Lord Jesus, giving thanks to God and the Father by him."
A Bible citation in the Lesson Sermon presents these verses about Jesus, from Luke: "And John calling unto him two of his disciples sent them to Jesus, saying, Art thou he that should come? or look we for another? . . . Then Jesus answering said unto them, Go your way, and tell John what things ye have seen and heard; how that the blind see, the lame walk, the lepers are cleansed, and the deaf hear, the dead are raised, to the poor the gospel is preached. And blessed is he, whoever shall not be offended in me."
One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus established his church and maintained his mission on a spiritual foundation of Christ healing. He taught his followers that his religion had a divine principle, which would cast out error and heal both the sick and the sinning."

Lenten Season In Progress; Special Services

The 40-day season of Lent leading up to the celebration of Easter, April 9, was ushered in yesterday with services in observance of Ash Wednesday, when ashes were blessed in the Catholic Church of the Nativity at the 8 o'clock mass.

Rev. Father Joseph P. Fitzgerald announced that Lenten services will include masses each week-day at 8 a. m.; Devotions each Wednesday at 7:30 p. m.; Stations of the Cross on Friday evenings at 7:30 and vesper services with instructions for all non-Catholics who wish to know the doctrines of the church Wednesday and Sunday evenings.
Protestant churches are observing the Lenten season with special services Wednesday evenings.

History of Lent
Lent originally was a period of but 40 hours. Later it comprised 30 days of fasting, omitting the Sundays and also the Saturdays except one. Pope Gregory added Ash Wednesday to the fast, together with the remainder of that week. The last seven days of Lent constitute Holy Week, beginning with Palm Sunday, which this year falls on April 2. Passion Week precedes Holy Week. The last Thursday, Maundy Thursday, commemorates the Institution of the Eucharist.
The following day, Good Friday, commemorates the day of the crucifixion. Mohammedans celebrate Friday as the day of Adam's creation. Among Germans, Friday was sacred to the goddess-mother, wife of Odin.

Easter is the chief festival of the Christian year, commemorating the resurrection of Christ. It occurs about the same time as the ancient heathen Roman celebration of the Vernal Equinox, the arrival of Spring. The last time Easter was celebrated April 18, 1822. It will this year—was in 1822.

Pastor Addresses Kiwanians On Americanism

An inspiring address on the subject of "America's Heritage" was given by Richard H. Keech, Los Angeles evangelist and World War veteran, at the dinner-meeting of the Kiwanis club here last Monday night. The speaker traced this nation's progress from Revolutionary War times to the present, and by citing the accomplishments of national and historical figures, held that opportunities granted by the U. S. Constitution were well as the accomplishments of American citizens in fact as well as in name.

Next Monday night, the Kiwanians will hear from Mayor William H. Tolson an outline of the democratic clubs and labor groups. He hopes to accomplish during the year. All members of the club will be invited to question Tolson on the plans he has announced for highway development and civic building here.

Liberals Unite for L. A. City Election Campaign

An organization known as the Citizens Committee of the 17th Congressional district, formed shortly after last November's general election by Democratic clubs and labor groups, Labor's Non-Partisan League, Political Union, labor unions and other progressive liberal groups and state committee members, is now taking an active part in the election of Los Angeles city councilmen.

Mrs. Hazel M. Raymond of this city, Democratic State Central committee member of the 68th Assembly district, has been made publicity chairman for this district. She says the Committee has a membership of more than 200 and is growing rapidly.
