

## Walteria Church Being Improved

Walteria's First Fundamental Baptist church, with Rev. Herbert C. Anderson and Joe Nash, a student at the Bible Institute, as pastors, is now being remodeled at Park and Newton streets. The exterior is being repainted and the interior is due for redecoration. A number of members have volunteered their services for the work. Rev. Anderson conducts the first Sunday service of every month with Nash occupying the pulpit the remainder of the month. Mrs. B. L. Stafford is the church clerk and C. Lilly is trustee.

They extend a cordial invitation to all Walterians to attend the services and point out that teachers are needed for the Sunday school.

### FIRST CHURCH OF CHRIST, SCIENTIST

1208 El Prado.

Sunday morning services at 11. Sunday school, 9:30. Wednesday evening meeting, 8 p. m. Reading room in church edifice. "God giveth to a man that is good in his sight wisdom, and knowledge, and joy." This verse from Ecclesiastes is the Golden Text in the Lesson-Sermon on "Man" on Sunday in all Churches of Christ, Scientist.

Among the Bible citations are these words about Jesus, from Matthew: "And, behold, there was a man which had his hand withered. And they asked him, saying, Is it lawful to heal on the sabbath days? that they might accuse him. And he said unto them, What man shall there be among you, that shall have one sheep, and if it fall into a pit on the sabbath day, will he not lay hold on it, and lift it out? How much then is a man better than a sheep? Wherefore it is lawful to do well on the sabbath days. Then saith he to the man, Stretch forth thine hand. And he stretched it forth; and it was restored whole, like as the other."

A passage from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, presents the statement: "Jesus walked on the waves, fed the multitude, healed the sick, and raised the dead in direct opposition to material laws. His acts were the demonstration of Science, overcoming the false claims of material sense or law."

## Local Youth Faces Serious Court Charges

Charged in a warrant with petty theft and with passing contributing to the delinquency of a minor boy, Dick White, 23-year-old laborer living at 2354 Pennsylvania avenue was arrested Monday at the Lakewood police station as he was released from jail after serving out a traffic sentence.

White is accused of the theft of jewelry and a gun from the El Prado apartments. The contributing charge, according to Chief John Stroh, was placed against him because of suspicion that he used a small boy as a "stooge" for his thefts. White was placed on two years' probation recently when he was found guilty of a forgery charge.

He was to be arraigned today before City Judge Robert Lessing.

Young Whiting begins with an outline of his research work, continues with a chapter devoted to the scientific classification of chipmunks, and devotes other portions to their appearance, habitat, activities, uses and an exhaustive account of their 12 different varieties.

Included also are a glossary of terms used, a bibliography which credits the authorities for the young naturalist's assertions and a number of personal observations on the life and customs of
