Paul's words to the Philippians: "Whatever things are true, whatever things are honest, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report; if there be any virtue, and if there be any praise, think on these things." are the Golden Text in the Lesson-Sermon on "Reality on Sunday in all Churches of Christ Scientist."

A Scriptural selection in the Lesson-Sermon includes this verse from the book of Isaiah: "Wherefore do ye spend money for that which is not bread? and ye labour for that which satisfies not? Ye hearken diligently unto me, and eat ye that which is good, and let your soul delight itself in false words." Jesus' words from John are also presented: "Labour not for the meat which perisheth, but for that meat which endureth unto everlasting life, which the Son of man shall give unto you: for him both God the Father seeth." One of the passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy states: "There is but one way to heaven, harmony, and Christ in divine Science shows us this way. It is to know no other reality—to have no other consciousness of life—than good, God and His reflection, and to rise superior to the so-called pain and pleasure of the senses."

Illness of Leader's Son Cancels League Meeting

Because the eight-year-old son of Chairman George Ryan was seriously ill from an attack of lobar pneumonia at Torrance Memorial hospital and Ryan thus was unable to be present, the scheduled organization meeting of Labor's Non-Paran League last Saturday was indefinitely postponed.

Ryan's son, George, Jr., entered the hospital last Wednesday. For two days he remained in an oxygen tent and it will be another week before he is expected to be out of danger. The family lives at 2067 22nd street.

IT'S HARD TO KEEP FROM SCREAMING WHEN TIMES ARE TOUGH

To keep from crying out when you're hurt; to keep from damming every possible influence that harmfully affects your business; to keep from dropping into a "do nothing" lethargy void of all hope and endeavor . . . to keep from doing all these things is a job that taxes the spirit of the hardest soul.

But we're going to try to keep from doing these things. We're busy and we're optimistic of the future. We're glad we have a day's work to do, glad to be alive and hopeful.
