Pete Zamperini Proving

Capable Track Coach ... Last week in the Torrance first practice meet of the 1939 season, a Pete Zamperini's initial year as track mentor for the local school, against Redondo Union high school, his BYD boys broke three school records, just to prove to Pete that they appreciate the help and information he has been giving them.

Gerald McDonald, 14-year-old Class C Freshman, started the ball rolling in the first event of the afternoon, the 660-yard dash, by burning the track for a new mark of 1:32.1. The old school record of 1:34 was held by Louis Zamperini, established in 1932. A few weeks ago Sport Shots told you readers to keep your eyes on this coming track star, and will again repeat the statement ... because, before the year is over McDonald will be running around 1:30 flat. He should take the Marine League meet this year, and when they finish counting noses in the big Southern California meet held later this year, the Torrance lad will be right in the thick of it.

Lee Stecker, Senior, decided in the next race, the Class B, 660-yard dash, not to be outdone by the Freshman ... so he also established a new school record in his division. The old mark of 1:30.8 was held by Lee Kirkpatrick, and was established in 1936. Stecker traveled the distance in 1:30, and was going strong at the finish. Proving to members of the league that he will be the man to beat when the season officially opens, April 14. Stecker has also promised Coach Zamperini that he will break the 1939 record before the year is over ... and he probably will do it.

Torrie Hata was the third man of the afternoon to set up a new school mark. His was in the 120 low hurdles. Hata, competing in Class B, ran the barriers in 13.8. The old record was held by Susumi Ishikawa at 14 seconds flat, and has stood since 1933. This had should go places this year. Watch him.

Also last week Coach Zamperini told several of his varsity athletes into Los Angeles to compete unattached against the U.S.C. Frosh and Glendale J.C. Several of the varsity boys must have decided to show the Class B and C athletes that they are not the only pebbles on the campus ... because Bill Stewart, senior high jumper, and holder of the Marine league record in that event, showed the Trojan Frosh jumper, Gil LaCava, that he could get up in the air himself. Stewart did 6 ft. with his sweat suit on, and then tied for first place with LaCava at 6 ft. 3 in. Stewart looks strong this year, and barring accidents should take first place in all meets of the year. While Stewart was doing his stuff, Johnny Hallett, 880 yard man, ran the second competitive half mile in his life, taking second place against one of the Trojan Freshmen. Hallett was clocked at 1:54. This senior lad should break the Marine league record this year. Eugene Hatter, Tartar 440 man, did his lap in 56 seconds flat, fine early season time.

San Pedro Wins
Baseball Title

By going thru the season undefeated, San Pedro high school's baseball team took the Marine League championship last Friday afternoon after scoring a 6 to 4 triumph over Banning. The Pirates won the crown, according to Joe Goss, San Pedro sports writer, "not so much on their own good play but by taking advantage of four bad Banning errors. The Pilot misuses accounted for half of the six San Pedro tallies."

Despite a wild streak that threatened his unbeaten mark, Tadashi Kishihita pitched a fine game for the winners. He allowed but four hits while his teammates were collecting six blows. The Japanese fireballer fanned 13 but walked five to get in hot water.

GARDENA NINE
BEATS NARBONNE

Gardena high school's ball club defeated Narbonne high 5 to 3 in a final Marine League game at Gardena last Friday.

T-L Merchants
Lose to Giants

The heavy sluggers on the Torrance-Lomita Merchants baseball club were held to four scattered hits by King and Carter last Sunday when the locals bowed to the L. A. Colored Giants 6 to 1 in a league tussle at the city park diamond.

Willis, J. Venable, Maricham and Rowin were the only T-L hitters to connect. Rowin pitched for the local nine, allowing 11 hits.

STATE PICNICS

Zane Grey Out for Big Fish SYDNEY, Australia (U.P.) — Zane Grey, American novelist and sportsman, has entered the annual big-game fishing contest which will continue here until April.

fiesta. Cecil Cole, greatest distance runner in the history of the U. of California holds three National Junior College records, namely: the mile run, 880-yard dash and two-mile run. Cole is capable of running under 4:17 in the four lap event; 1:54 in the 880 and 9:30 in the long two-mile grind. Of course Louis is capable of beating Cole in either of these events, but it will be an interesting afternoon for both the athletes and spectators. Zamperini will probably run the mile and 880, while this writer expects to see Cole run the 880 and two-mile run. We hope that Brutus Hamilton, coach of the Bears will run Cole against Zamperini in the mile run. California has seven of the best distance runners in the Pacific Coast conference, in Cole, Stanley Sadai, Ted Vollmer, Charley Cooper, Ralph Throop, John Holland and Charley Mehlert. And to top this off, Brutus Hamilton is considered one of the best distance runner coaches in the nation. It will truly be a fine afternoon for track and field fans, and will be the best dual meet in Los Angeles this year.

TRAVEL COSTS—SMALLEST EVER

These girls from Sally Rand's Nude Ranch, visiting the Greyhound Exhibit on Treasure Island, illustrate with "figures" the marked reduction in travel costs in California. For example, the Greyhound fare between Los Angeles and San Francisco has been cut from \$13.00 in 1920 to the all-time low of \$5.15 in 1939. It looks like both Greyhound's fares and the girls' costumes have reached an irreducible minimum.

ROSS NINE
TAKES FLIERS

Stretching its winning streak to three games, the Dr. Ross baseball team took a 7 to 5 win over the North American Aviation nine at Inglewood last Sunday.

Mearing led at bat for the winners, getting three hits in four trips before leaving the game after being spiked in the seventh inning. Duke Reynolds, San Pedro high school star, hit a triple and a double. Louie Polica and Bill Eagers each cracked out three blows.

Cate is manager of the Supply quintet, which is composed of J. Clayton and T. Prodan, forwards; J. Schatz, center, and D. Barkdull and A. Woodcock, guards.

Hunting with an automatic pistol in the Nigger Slough area last Sunday morning proved troublesome for Cecil Lee Wornble, 23, of South Gate. He was arrested by Fred H. Albrecht, deputy state game warden, and lodged in the Torrance city jail until Monday morning when he was taken to Los Angeles to stand trial.

Nylands Nursing

The Bagneses sent the puppy to the Nylands to be nursed by their dog after its brother failed to survive.

Lomita Park
Sale Offered

In a surprise move last Friday, the board of supervisors, at the suggestion of Supervisor Oscar Hauge of this district, voted to start proceedings toward sale of the one-year-old Lomita county park on Eschelman avenue for oil drilling.

At the same time, in answer to pleas entered by the Lomita Chamber of Commerce, the board agreed to use all proceeds from possible sale of the park at 24428 Eschelman avenue for the purchase of another park site in the community.

The property, consisting of approximately seven acres, was purchased for about \$1,000 per acre. It has a 400 foot frontage on both Eschelman and Walnut avenues. One Lomita realtor commented this week that with oil development which now surrounds the park, the property should be worth from \$7,000 to \$10,000 an acre.

Supervisors initially considered leasing the property for oil development but since this would take a special law and would spoil the site for recreation use anyway, the Lomita chamber recommended to Dr. Hauge the site be sold outright, according to Secretary H. H. Halladay.
