

## Survey Shows 9 Stutterers In 10 Are Men

CLEVELAND, O. (U.P.)—Nine out of ten of the 1,350,000 stutterers in the United States are men, Dr. James F. Bender, authority on stuttering, has revealed.

"The radio and talking movies have made the nation more speech-conscious," Dr. Bender said. He reported the results of a study he has made of 249 college stammerers, over a period of seven years, at the American Speech Correction Association's convention here. He is the association's director of information.

His survey showed that college students suffering from dysphasia (stuttering) made higher scores in intelligence tests than comparable groups of non-stutterers. It showed that stammerers were less sociable and more emotional than persons with normal speech.

"A large proportion of stuttering is correctable by techniques and adjustments that are known to qualified speech correctionists," Dr. Bender said.

## County Canine Population Decreasing

Los Angeles county's quota of dog lovers is decreasing, according to figures released today by the county poundmaster.

For of 27,000 dogs collected by the pound department in cities and unincorporated areas served by the county health department in the last year, only 5,000 were redeemed by their owners.

Dog owners have five days in which to reclaim their pets which have been seized while running at large. Usually the animals are kept longer than this before being destroyed, the pound officials said. In order to make sure the owners do not wish to recover their pets.

## TENTATIVE COUNTY HIGHWAY BUDGET TOTALS 5 MILLIONS

New highways and bridges on county highways thruout the county would be provided at a cost of nearly \$5,000,000 in next year's road budget of the board of supervisors, according to the tentative schedule laid before the board today by Road Commissioner George Jones.

Pruning operations on the road budget will necessitate taking out some of the projects, as the budget totals \$9,567,724, while the estimated revenues are only \$9,229,326. The county hopes to obtain a reimbursement of \$949,977 in road funds loaned to the county by the state for purchase of rights of way for army engineers' projects last year.

The Fourth district's tentative new construction program calls for improving Western avenue between Imperial Highway and Gardena at a cost of \$165,000, between 174th and 182nd to cost \$134,000 and between 261st and the Palos Verdes Hills, \$21,000. Western avenue also is to be improved northerly from Imperial

to 104th street, in the Second supervisorial district at a cost of \$56,000.

Four Bridges Proposed  
Other Fourth district new projects are Jefferson boulevard links in Los Angeles, Culver City and unincorporated area, including a storm drain system that will permit construction of the final link in Sepulveda boulevard, \$130,000; Alameda boulevard from Imperial highway to the Compton city limits, \$63,000; Wilmington road between Imperial highway and Compton city, \$55,000; Sawtelle boulevard from Jefferson boulevard to the Ballona creek, \$15,000; Narbonne avenue resurfacing, \$10,000, and Lomita boulevard, \$3,500.

New bridges proposed in the Fourth district include Las Flores canyon road over Las Flores creek \$15,430, Crenshaw boulevard over Gardena valley drainage canal \$13,957, Compton boulevard over Gardena valley canal \$9,560, and Palos Verdes road 500 feet north of Anaheim boulevard \$1,100.
