# SEEING IS DECEIVING

## —WHEN IT COMES TO BUYING A USED CAR!

Remember the old Shell Game? Remember how each shell looked like every other shell... but that the pea—the pay-off—was only under ONE shell?

It's the same way with USED CARS. There are thousands... even millions of second hand automobiles on the market. There are only five or six major models to choose from and they all look very much alike.

BUT THEY'RE NOT!

It's what's under the hood and beneath the polished surface that counts! It's the motor, the differential, the transmission, the bearings and a thousand other hidden parts that make a Used Car a good buy: Seeing alone IS deceiving!

How are you going to know? How can you be sure?

Very Simple!!

Buy your Used Car from Ed Thompson! For five years he has been convincing buyers that if they SEE a Used Car on his lot then they KNOW it's right! They know that with Ed Thompson all IS gold that glitters... and that SEEING IS BELIEVING!

## America's Gift To The Queen

WHEN they meet in Washington in June, Queen Elizabeth of England and Mrs. Eleanor Roosevelt will wear summer-weight wool dresses—the Queen's a gift from the wool growers of America, and Mrs. Roosevelt's from growers of the British Empire. Material for the Queen's dress, woven from the finest virgin wool from the 34 wool growing states, is shown here being given to Captain Irving of the S.S. Queen Mary for delivery to Buckingham Palace. Left to right are Senator Clark of Idaho, Senator Schwartz of Wyoming, and Captain Irving. Simultaneously, Mrs. Roosevelt announced that her dress will be of light weight summer wool, of a shade called "Aure Blue" and that the Queen's, also light weight, will be in a new color called "Queen's Blue."

Mrs. Roosevelt (lower right) shows samples of the dress materials to Miss Brunell Wood, famous New York fashion writer.

## Walteria Sunday School Group Claims Bible Reading Record

Not content with their Bible reading feat of scanning 7,403 chapters during the past year—an average of 140 chapters per week or five chapters per week per pupil—the Sunday school class at the First Fundamental Baptist church in Walteria has begun another Biblical effort.

At the present time the group is engaged in a verse memorizing contest under the direction of Joe Nash, new superintendent of the school. The champion readers were Mrs. Bessie Stafford, Fred Gressup and Matthew McCoy, the latter a ninth grade student who read the Bible from cover-to-cover twice.

He informed his instructor, C. C. Lilly, that he found it "very profitable" and recommends Bible study for any school boy. The verse-memorizing feat is being conducted to prove that if all Bibles in the world were destroyed, one could be written from the memories of those who have preserved its immortal lines.

The Walteria church, located at Park and Newton streets, invites the public to attend its meetings. Nash is the acting pastor.

## Lomita Catholic Church to Move

Coinciding with his announcement that the church has purchased property at the northeast corner of Narbonne avenue and 23rd Place, Rev. Father Louis A. Mulvihill of St. Margaret Mary's church of Lomita and Harbor City said this week that the present church edifice will be moved from Lomita boulevard near Walnut avenue to the new location soon.

The old Catholic church, erected in Lomita some 12 years ago, will be placed at the rear of the new property with space left on the Narbonne avenue frontage for a new church building. A rectory will be built for Father Mulvihill immediately. The priest has had to live some distance from the church.

The subject of the Lesson-Sermon "Overcoming Faithfulness" on Sunday in all Churches of Christ, Scientist, The Golden Text is from Genesis: "Shall not the Judge of all the earth do right?"

Among the Bible citations in the Lesson-Sermon are these passages from Matthew: "In those days came John the Baptist, preaching in the wilderness of Judaea, and saying, Repeat ye: for the kingdom of heaven is at hand... But when he saw many of the Pharisees and Sadducees come to his baptism, he said unto them, ... Bring forth therefore fruits meet for repentance." These words of Paul to the Galatians are also included: "Do not desire to be empty, but to be full; for whatsoever a man sows, that shall he also reap. For he that sows to his flesh shall of the flesh reap corruption; but he that sows to the Spirit shall of the Spirit reap life everlasting."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Christian Science commands man to master the propensities,—to hold hatred in abeyance with kindness, to conquer lust with chastity, to overcome deceit with honesty... This is his necessity,—to destroy himself. Immortal man demonstrates the government of God, good, in which is no power to sin."
