Cities Must Buy Road Materials Thru County

When cities receive gasoline tax funds from the county for improvement of streets, they will be expected to purchase any needed materials through the county purchasing agent, Wayne Allen, under a policy adopted this week by the board of supervisors.

The new policy was set forth in a resolution introduced by Supervisor William A. Smith of the First district.

"It shall be the policy of the supervisors whenever any gasoline tax money is paid to any city that the city shall purchase its road materials on county contract and through the county purchasing agent, unless the city is able to obtain a better price on these materials than that quoted by the county," the resolution states.

Howes Twirl Dials In Vain Seeking Singer

Altho the Howe family here put their radio thru its paces last Saturday night trying to reach out and pick up the program, they were unable to locate the broadcast that featured the solo singing of Robert Colebourne, 12-year-old son of Mrs. Dorothy Colebourne Austin of Taft.

The boy was appearing as principal soloist on a program broadcast from Bakersfield over KERN. Dale Howe of this city said that he tried to pick up that station and did not know until it was too late that it was being re-broadcast by KECA. An aunt of the boy-singer heard the program, which had more than 100 Kern county school children in the cast, in San Diego.

Sciots Sponsor Circus In L. B. June 3 and 4

With its huge three-ring "big top," menagerie tents and side show covering two entire city blocks, the Great American Combined Circus will present four spectacular performances, afternoon and evening, at Long Beach Saturday and Sunday, June 3 and 4.

This mammoth show, traveling in a 40-car special railroad train, is the only professional circus which will make its appearance on the Pacific Coast this year.

Presenting 60 all-star acts and more than 500 performers, this newly combined circus is making its Long Beach showing under the auspices of Long Beach Pyramid No. 45, Ancient Egyptian Order of Sciots, for the benefit of that organization's charity fund.

Mobis Fred S. Dean, general chairman, announces that prices will be lowest ever offered in circus history. General admission is 50 cents and reserved seats are but 25 cents extra. "Children's tickets are 25 cents and the 'kids' may occupy reserved seats at no additional charge when accompanied by adults.

The circus grounds will be located on a ten-acre site at State street and Daisy avenue in Long Beach.

With the OLD GRADS of Torrance High

City Judge Robert Lessing, member of the Torrance high school Alumni, will give a talk at the Homecoming program, June 15.

Lucille Stroh, S'38, has long had the desire to become a policeman, and Friday night at the student dance her wish was fulfilled. She was appointed to act as policewoman for the evening. She is the daughter of Police Chief John Stroh.

Plans for the Alumni dance at the Hollywood Riviera clubhouse, June 17, are progressing rapidly. Anyone desiring to buy or sell tickets is asked to contact Tom McNeil—phone 325-W.

Mr. and Mrs. Walter Claus, nee Ruth Granger, are proud parents of a baby boy born May 27 at Torrance Memorial hospital. Ruth is a T.H.S. graduate.

Candidates for the vice-president of the Alumni are: Jane Roberts, Vernon Coll and Alfred Pennington. The election will be held at homecoming.

If you have any Alumni news, phone it to Mary Smith, phone 651.

NIMBLE SOLO DANCER... Fred Astaire's eccentric solo dance is one of the many features of "The Story of Vernon and Irene Castle," lavishly produced dramatic musical based on the career of the premier dance couple of two decades ago. Ginger Rogers is co-starred in the film which opens at the Plaza theatre in Hawthorne Sunday.

VIVID AERIAL DRAMA... Fredric March, Cary Grant and Jack Oakie, who share stellar honors with Carole Lombard in "The Eagle and the Hawk," now at the Torrance theatre, are shown above in a gripping scene from this new film of sky heroism. The second feature is "Everybody's Baby" with the Jones Family.

Mumford Announces Three Property Deals

Luther J. Mumford, local real estate broker, this week announced the sale, by the Cathers estate, of three parcels of property, consisting of two homes and a 60-foot corner lot to a Torrance resident whose name was not revealed. The houses are located at 1907 and 1911 Plaza del Amo and the lot is at the corner of that street and Cabrillo. Mumford said he handled the entire transaction for both buyer and seller.
