### Councilman's Brother Retires From Santa Fe Post July 1

Rounding out a railroad career of almost 50 years, J. R. Hitchcock, general manager of the Santa Fe Coast Lines, with headquarters at Los Angeles, today announced that he applied for and has been granted retirement effective July 1. His successor has not been announced.

The veteran railroad executive is a brother of James Hitchcock, Torrance city councilman and shop superintendent for C.C.M.O. A number of local residents who were guests of Councilman Hitchcock at the "preview" opening of the new Union Depot in Los Angeles met the Santa Fe officer and he has also visited here a

number of times. Hitchcock was born in Woolwich, England, his family coming to the United States when he was quite young. He received his education in the public schools at Marshalltown and Oskaloosa, Iowa. He started his railroad career as a messenger in the Iowa Central Railway (now the M. and St. L.).

#### Heads Depot Board

He entered Santa Fe service at San Marcial, New Mexico, in 1891 as a time keeper in the mechanical department and since that time has held various positions in the mechanical and operating departments at Albuquerque, New Mexico, Amarillo, Texas and Los Angeles and was in 1902 appointed assistant to the general manager at Los Angeles; in 1905 superintendent at San Bernardino and in 1913 acting general superintendent at Los Angeles and later in the same year

returned to San Bernardino as superintendent, which position he held until January, 1920, when he became assistant general manager at Los Angeles. In 1928 he was appointed general manager at Amarillo and in 1932 general manager at Los Angeles.

Hitchcock is chairman of the Board of Managers of the Los Angeles Union Depot. He is a member of the California club and Los Angeles Country club. He will continue to make his home in Los Angeles where he resides with Mrs. Hitchcock and daughter DeEtta.
