## FIRST CHURCH OF CHRIST, SCIENTIST

1208 El Prado.

Sunday morning services at 11. Sunday school, 9:30. Wednesday evening meeting, 8 p. m. Reading room in church edifice. Part of the Lesson-Sermon on Sunday to all Churches of Christ, Scientist. The Golden Text is from Isaiah: "Sing, O heavens; and be joyful, O earth; and break forth into singing, O mountains: for the Lord hath comforted his people, and will have mercy upon his afflicted."

Among the Scriptural selections are these verses from Mark: "Now when Jesus was risen early the first day of the week, he appeared first to Mary Magdalene. . . . Afterward he appeared unto the eleven as they sat at meat, and upbraided them with their unbelief and hardness of heart, because they believed not them which had seen him after he was risen. And he said unto them, Go ye into all the world, and preach the gospel to every creature. . . . And these signs shall follow them that believe: In my name shall they cast out devils; they shall speak with new tongues; they shall take up serpents; and if they drink any deadly thing, it shall not hurt them; they shall lay hands on the sick, and they shall recover."

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, state: "Today the healing power of Truth is widely demonstrated as an immortal, eternal Science, instead of a phenomenal exhibition." "The effect of this Science is to stir the human mind to a change of base, on which it may yield to the harmony of the divine Mind."

## Staff Promotions at Columbia Steel Plant Confirmed

(Continued from Page 1-A)  
been developed extensively mechanically and the organization has been greatly improved," he said today. "The plant is in excellent physical condition and has a well-organized and efficient functioning personnel. I have a great deal of confidence in the success of the Torrance plant for the future and expect that it will develop and grow with the expansion of the west and the community."

Otto Kresse, new assistant superintendent, went to work for the old Columbia Steel company, before its acquisition by U. S. Steel, at Pittsburg, Calif., in 1910 and has been connected with the firm ever since with the exception of a few years. He came to Torrance in 1928 as open hearth superintendent. Kresse lives with his wife and two daughters, Jean and Doris—graduates of Torrance high school, at 1443 El Prado.

He started his steel career in Milwaukee and Cleveland. He is a native of Wisconsin who came to California in 1910. For seven years he served as city treasurer of the city of Pittsburg, Calif.

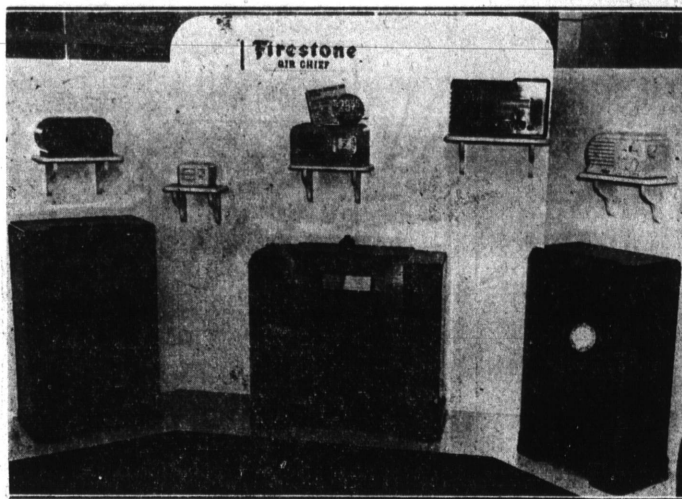

The position of open hearth superintendent is being filled by John Oursler, a qualified technician who has been with the local plant since the middle of last month. He is married and lives in Torrance.

## Three Sons to Share in Mother's Estate

Victor Anderson of 2319 Mariopas street, petitioned Los Angeles county superior court this week for letters testamentary to the estate of his late mother, Mrs. Emma Karolina Anderson, who died last June 8 at Hanford. The will, witnessed by Margaret Richhart and C. T. Rippey of Torrance, directs that the estate, consisting of cash, stocks and personal property, be divided equally among her three sons. July 10 was set for hearing on the petition.

FIRESTONE GOES AFTER RADIO BUSINESS

with a brand-new background display, as shown above, and addition to its stock of many new models of Firestone Air Chief radios at the Firestone Auto Supply and Service store, corner of Marcelina and Cravens.

Realizing that there exists a tremendous field for radio sales in Torrance, Don Miller, Firestone service store manager, this week revealed plans for extensive promotion of radio sales. A large, attractive background display was erected to effectively show off the many new Air Chief models.

To complete his radio department, Miller has employed the full-time service of Max Shaw, a Torrance high school graduate and a trained radio technician holding a diploma from a Los Angeles radio school. Shaw is well-qualified to diagnose and cure all radio troubles. He is on call at all times and his work is fully guaranteed.
