FIRST CHURCH OF CHRIST, SCIENTIST

1208 El Prado.  
Sunday morning services at 11. Sunday school, 9:30. Wednesday evening meeting, 8 p. m. Reading room in church office.  
"Seek good, and not evil, that ye may live: and so the Lord, the God of hosts, shall be with you, as ye have spoken." These words from the book of Amos are the Golden Text in the Lesson-Sermon on "Life" on Sunday in all Churches of Christ, Scientist.

A Scriptural selection in the Lesson-Sermon includes these verses about Jesus from Luke: "And, behold, a certain lawyer stood up, and tempted him, saying, Master, what shall I do to inherit eternal life? He said unto him, What is written in the law? how readest thou? And he answering said, Thou shalt love the Lord thy God with all thy heart, and with all thy strength, and with all thy mind; and with all thy might; and thou shalt love thy neighbor as thyself. And he said unto him, Thou hast answered right: this do, and thou shalt live."

One of the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus urged the commandment, 'Thou shalt have no other gods before me; which may be rendered: Thou shalt have no belief of life as mortal; thou shalt not know evil, for there is one Life,—even God, good."

The local girl defeated Joy Lee Pratt of Wilmington in the finals of the women's singles at San Pedro. After losing the first set, Miss Shanahan staged a comeback in the finals, and had easy triumphs in the remaining sets.

Opportunities for tennis here are not very encouraging, Miss Shanahan says. For one thing there is a lack of good courts. The only ones available are at the high school and they are in poor condition. Nevertheless, the Torrance net star manages to develop her game by regular practices on other nearby courts.

She received her first enthusiasm for the game at Santa Barbara, a city which is noted for the general excellence of its players and its splendid playing facilities.
