SALEM, Mass. (U.P.)—A heart tattooed on her husband's arm helped Mrs. Jane Edwin, 28, win an uncontested divorce.

Arthur Edwin was accused of cruel and abusive treatment, and his wife testified that he had a heart and the name of another woman tattooed on an arm. Inside the heart was the word "Love" and under the heart, the name "Irene," she testified.

DINNER IN HALF AN HOUR

By Katharine Fisher

Director, Good Housekeeping Institute

If you are one of those busy or business housekeepers who find it necessary to be away from home until late afternoon, we know exactly what your meal-planning problem is. It's our problem, too! For when we get home after business hours, it's usually pretty close to dinner time. So it has become a habit with us to plan dinners that we can prepare in a short time. But it does mean planning our meals and our marketing, and sometimes it requires some preparation beforehand. In doing this we depend very much on our refrigerator and make it work closely with the range. It's not a comfortable feeling to be rushed in getting dinner, and that's what we try to avoid by planning menus like this one:

Tomato Juice
Deviled Hamburgers
String Beans
Bread
Maple Mousse
Coffee

The Deviled Hamburgers were made up the night before and stored in the refrigerator. The pineapple slices will line up alongside the meat under the pre-heated broiler. The string beans are of the packaged, quick-frozen kind, for quick-frozen vegetables, meats, fish and fruits are loons when time cannot be bought at any price. They are so deliciously fresh and may be stored in the chilling unit of your refrigerator until time to use. They should, of course, be kept frozen until ready to cook. Canned string beans can also be used, but be sure to cook them the Institute way. Drain the liquor from the vegetable and boil it in a saucepan or skillet until two-thirds of the liquor has evaporated. Then add the string beans, heat thoroughly, add seasonings, and serve.

The dessert can be made in the refrigerator the night before. The cold control of the refrigerator is turned to the coldest setting until the cream mixture is frozen, then the control is turned back to a warmer setting which keeps the cream frozen and yet does not make unusual demands on the refrigerator.

DEVILED HAMBURGERS

(Recipe by Good Housekeeping Institute)

1½ lb. chuck steak, ground
1/3 c. chili sauce
2 tsp. prepared mustard
2 tsp. bottled horseradish

2 tsp. minced onion
2 tsp. Worcestershire-type sauce
1½ tsp. salt

Combine all the ingredients. Shape into 10 cakes about 2" in diameter. Brown in hot fat in a skillet for 4 min. on each side or broil in a broiler over preheated for 10 min. for 4 min. on each side. Serves 6. To serve 2 or 3 make half this recipe. For open sandwiches make half this recipe. Toast 6 slices of bread on one side. Spread the untoasted side of each slice with hamburger mixture, and broil 8 minutes. Serves 6.

Town Cleanup Directed By Girl Tom Sawyer

OGDEN, UTAH (U.P.)—Ogden made its own version of Mark Twain's classic when the city chose a female Tom Sawyer to inaugurate its spring cleanup campaign. Competing for the title "Queen of Cleanliness," a dozen pretty Ogden, misses lined up with commissioners and Junior Chamber of Commerce members to try their hand at Tom Sawyer's task—whitewashing.

The fence to be whitewashed surrounded the site of the new city-county building and each contestant worked on a designated section.

SHOP TALK

ENTERPRISING EMPLOYEES

Herald readers will no doubt see in this week's issue that the employees of the various Torrance stores are having a sale tomorrow and Saturday. This sale has been planned for several weeks and bargain hunters are sure to find some real buys. It will pay all Ye Goode Townsfolk to give the ads a few minutes, pick out some values.

HERE & THERE

Badminton is becoming quite popular here. Fred & Emma Quaggin have badminton guests almost every night who wake up the next morning with stiff, sore legs. Quaggin's court has no boundary markers and players yell "in" and "out" depending on whether they're behind or ahead. We hear that the laundry's Bill Rojo has a swank asphalt court with efficient lighting, white markers and all. Allen Pauli, of the Torrance Auto Sales, has been in the auto business for years & years but just this week saw second engine breakdown of its kind since he went into the game. A Dodge truck from Ideco came into his shop with a piston smashed by the breaking off of a valve head. Years ago when Pauli was selling Dodge he repaired a similar trouble.

Firestone's Don Miller will have to make a personnel change, he's a thinkin', because pretty, petite office girl Korena Carlin takes all the boys' minds off their work. . . . met "Cap" Moses, Harvel Guttenfelder's new right hand man, the other day and a more likeable, pleasant chap you'll never find. Cap will take care of things while Harvel is gallivanting around New York trying to find out how "Appy" Appenzeller ever managed to get wound up in the Holland tunnels like he did.

Leon Richardson, operator of the Civic Center Mkt., is working like a dog these days along with his pappy, trying to get the market cleaned up and ready for Big Business. Butcher Bell is out of the market now and Leon is trying to find another meat man. We might say that the market is looking right smart, what with new fixtures, new butter box, etc.

HEARTLESS HOLLYWOOD

An interesting and sympathetic story came to ShopTalk's attention the other day when Service Electric's Ray Clifford told about how Art Loft and Gladys George took care of Bill Meng's two small children. Now Bill Meng was a war time buddy of Art Loft's. But Bill, an electrician who worked for the Service Electric, died suddenly a few weeks ago from a heart ailment. Now Art Loft is a movie player whose money started the Service Electric and whose wife Gladys has a heart as big as Loft's. To get Bill's youngsters out of the house during the trying period, Daisy took them to her house, then over to movie star Gladys George's (a good friend) to spend the night. The next A. M. Miss George whisked out some greenbacks, told Daisy to buy the kids some clothes. Art & Daisy then trotted the kids down town, spent another fifty on them.

OLD SPANISH DAYS

Starting Wednesday evening, August 2, with the formal ceremony of welcome at the Old Mission and continuing through August 3, 4 and 5, Santa Barbara will once again celebrate its "Old Spanish Days" Fiesta.

was a few hundred dollars well spent. Perhaps Hollywood had a heart after all!

HERE & THERE
Jimmy Rawl, Sartori Ave. Safeway mgr., loaded camping equipment and his wife into his jalopy one day last week, took off for Moreno Dam, above San Diego, for a week's vacation and fishin'. Jim caught several little ones but his wife won the blue ribbon and caught more than Jim. While he was away hard working Ernie Martin took charge of the store, which, by the by, is one of the largest in the entire Safeway chain. . . . Al Bond, barber, tells us that he would like to take a long vacation and fishin' trip if only he could only find a responsible barber to take care of his business. Certainly appears that with all the unemployment a good man could be found. . . . Dale Riley, commander in chief at the Old Mission and continuing through August 3, 4 and 5, Santa Barbara will once again celebrate its "Old Spanish Days" Fiesta.
