A & P Managers' Sale Now On

In celebration of "Managers' Week," A & P Food stores are holding special sales for the remainder of the week. Manager Arnold Berg of the grocery department and Manager Ronald Teeter of the meat unit here are competing in the intense, yet friendly rivalry among other store heads of the district to see who can attract the most new customers, create the most tempting displays and show the greatest business improvement.

Many popular foods, groceries well as meats, have been reduced in price for this event here, according to Berg and Teeter. Announcement of the values is contained in the A & P advertisement in today's Herald.

Fishing is the principal industry of Labrador.

CLOWNS FOR HAM AND EGGS... And there are many more like this fun-maker in the three-ring "Ham and Egg Circus" which presents a complete performance here tonight under a big top now erected at the corner of Carson and Border streets.

Included in the Ham and Egg Circus are many headline attractions and performers who have previously been with Al G. Barnes, Hagenbeck Combined Shows and Ringling Brothers. Features which have previously been seen at admission prices of 50 cents and \$1 will now be seen at the top charge of 30 cents with a part of the proceeds going to the Ham and Egg organization.

Three big rings packed full of delightful, thrilling, fascinating entertainment with plenty of comfortable room for from 3,500 to 4,000 people. It is the desire of Life Payments Association to have the Ham and Egg Circus visit nearly every community in California.

SCHOOL MAY END HOME WORK
CLEVELAND, O. (U.P.)—Suburban Shaker Heights Junior High school students hope that their homework days—and nights—are ended. A forum meeting of parents, teachers and pupils, decided that elimination of homework from the school program would be a good way to adjusting school work to pupils' needs.

Nudist Films at the Grand

Nudism. What is it? What is its significance? What prompts people to want to go about nude? These and many other questions on the subject will be revealed to Grand theatre audiences starting tomorrow by "Elysia," first authentic motion picture story laid in an American nudist colony.

The rise of nudism has increased in amazing fashion during the past year. The public prints have been full of accounts both respectful and derogatory, of this new movement. But few people have accurate ideas about the true significance of nudism. "Elysia" explains and illustrates these ideas.

Also on the program will be "Billy the Kid Returns." Children under 16 years of age will not be admitted, the management of the Grand announces. A special Saturday children's matinee will not feature the nudist films.

Townsend Club Activities

By BETH PAIGE

The 15th, 17th and 18th Congressional Districts plan a huge joint rally and Townsend picnic at Huntington Park on Aug. 20. Many from here are planning to attend.

Last week's reference to headquarters of the 17th district should have read 7919 South Broadway. A group from Torrance went there last Saturday evening to enjoy their hospitality. In the party from here were Mr. and Mrs. La May, Mrs. Davis, Mrs. Pruitt and her daughter; Chas. Morford, Mr. and Mrs. Sam Nourse and Mrs. Paige.

Our dance held in the American Legion clubhouse last Friday evening proved a success. All seemed to enjoy it and demanded another which is slated for tomorrow evening same time, 8:45. Public is cordially invited, refreshments will be served and good music will be furnished.

The club thanks Mrs. Fred McIntosh of Cedar avenue for the lovely bouquet of colorful poppies she donated. They were hand-made. Mr. and Mrs. Clare Bowen are enjoying a three weeks vacation in and around San Francisco.

Mr. and Mrs. Jos. La May have returned to Torrance from San Pedro to make their home here.

ATTENDS BANQUET
Police Chief and Mrs. John Stroh were the only Torrance people attending the California Peace Officers Civil Service association dinner meeting Monday night at the Wilshire Bowl in Los Angeles. Stroh was one of the guard of honor for Lt.-Gov. Ellis Patterson, principal speaker.

Lily Pons To Sing In Bowl Aug. 8

In her third visit to Hollywood Bowl, Lily Pons, leading coloratura soprano of the Metropolitan Opera, will be the star Tuesday night, Aug. 8, for the opening of the fifth week of Symphonies under the Stars. Also in the coming week will be the return of Artur Rodzinski, brilliant conductor, and Dallis Frantz, scintillating pianist.

Miss Pons' concert will be conducted by her husband, Andre Kostelanetz. Miss Pons will sing lovely arias which have made her popular from coast to coast in the past ten years. Among her songs will be the Bell song from "Lakme," Shadow song from "Dinorah," Caro Nome from Rigoletto; the "Beautiful Blue Danube" by Johann Strauss and the "Pretty Mocking Bird" by Bishop.

In the remaining weeks there are two grand operas, "Prince Igor" Aug. 29 and "Turandot," Sept. 5; post season. The Albertina Rasch Ballet, will be given Aug. 22.
