

Second Service Station Holdup Gets Only \$4

An armed bandit, whose description is similar to the holdup who robbed John Disario, attendant at the General Petroleum service station at Post and Sattori avenues last Wednesday night, menaced Ray Schumacher and robbed his Rio Grande service station at the corner of Torrance boulevard and Cravens avenue last Friday night.

Schumacher's description of his robber-victim tallied closely with that given by Disario of his bandit two nights earlier. However, the robber only got about \$4 from Schumacher where he looted Disario's cash drawer of about \$75.

Young Schumacher told investigating officers, including his father, Sergeant Frank Schumacher, that the man drove into the station shortly after 7 p. m. and, after ordering gasoline, held him up and drove off after warning him to remain quiet. No trace of the bandit has been uncovered.

The man was described by Schumacher as being about 26 years old, five feet, six inches tall, weighing about 150 pounds, black hair and wearing a small moustache. He used a nickel-plated revolver.

Drunk Driver Assessed \$50

Still jittery 36 hours after his arrest, Atanasio Acero, 28, of the Pueblo, plead guilty before Police Judge Robert Lessing Tuesday afternoon to driving while intoxicated Sunday night. He struck a car owned by Floyd Long of Oklahoma at Narbonne and 236th street while both machines were traveling south. Acero was fined \$50 and instructed to pay for the damage to Long's auto.

Mme. Bellini's Teacher Gave Her Fine Back Ground

Mme. Teala Bellini, concert pianist and teacher of music who began her 25th year of teaching here last Saturday, has had the finest of instructors, not only for her career as a teacher. Her instructors were Dora Trafton Nye, assistant to Earl Stasney; Wyllis Waterman, Lechettizky exponent; Edward Noyes of Boston, and Julius Hart, internationally-known teacher of Berlin and New York.

She studied harmony with Ernest Bloch and was on the faculty of the Julius Hart School of Music for five years and made her New York debut at Aeolian Hall in 1920. Since coming to California, Mme. Bellini has appeared in a number of concerts throughout the Southland and as far north as Fresno.

In addition to teaching her pupils artistry and musicianship and giving them a thoroughly founded technique, the well-known instructor of piano trains them in stage presence. She has a "practice hour" each month at her Los Angeles studio. These will begin in October with six students being presented each month. Two from the elementary group, two from the junior division and two from the senior student membership are thus presented in public.

Mme. Bellini teaches at her Los Angeles studio Tuesday and Thursday and the rest of the week at her Torrance studio.

Brief Rainstorm Dampens City

For a few minutes Monday night it looked as though Torrance and other Southland areas were in for an "unusual" summer rainstorm. Heavy drops pattered down abruptly and as abruptly stopped. Only "slight precipitation" was reported at the central fire station where a rain gauge is maintained.

Sanitation Tax Reduced Here

Tax rate for the county sanitation districts levied by the board of supervisors decreased this year, a drop of nearly three cents being noted in the levy for District No. 5 in which Torrance is located. The current tax is 2324 cents as compared with 26 cents last year.

The tax rates are levied by the supervisors at the time of making the regular county tax levy but the amount of money necessary each year is determined by the directors of the district. This directorate controls all affairs of the district. Mayor William H. Tolson is a member of the board for District No. 5.

Five Patients Enter Hospital

Five new patients were received at Torrance Memorial hospital during the past week. They included: 13-year-old Helen Erickson of 22407 South Denker street on Monday suffering from a ruptured appendix. She is still quite ill. Mrs. Lillie Breneman of Hawthorne, Tuesday for medical care; Mrs. Harriet Davies of Manhattan Beach, last Friday for medical treatment; Mrs. Jane Lundgren of Redondo Beach, last Saturday for surgery and John Roeder of Redondo Beach, yesterday for surgery.

Harbor Chambers Meet in Compton

The regular monthly meeting of the Harbor District Chambers of Commerce will be held tonight in Compton at the Pathfinder clubhouse, 446 East Compton boulevard. A 6:30 o'clock dinner will precede the session when John R. Quinn, county assessor, will be the principal speaker.

It is estimated that there are 7,700 American citizens still in China.

EASTERN TOURISTS OBTAIN HERALD SUBSCRIPTION IN N. Y.

Way up on the St. Lawrence River in Ogdensburg, N. Y., The Herald gained a new subscriber as result of a chance meeting of a few weeks ago with two California travelers, Mrs. Avalon Metcalf of Compton and Mrs. Margo Kastner of Los Angeles.

They were seeking Andrew Metcalf's aunt in Ogdensburg and stopped at Hotel McConville to inquire where she lived. Mrs. A. F. McConville met them and gave them the directions. Noting the young women were from California she asked if they lived near Torrance.

It developed that Mrs. McConville is an aunt of Mrs. Arnold Berg, wife of the A & P Market manager here, and she told the travelers she "always wanted to subscribe to the Torrance paper to see what kind of a town it was because my niece likes it so well there." Mrs. Metcalf said she was a friend of Mr. and Mrs. Ray Brooks of Torrance and Brooks is advertising manager for The Herald so she offered to take the subscription back with her. The Herald is now being sent regularly to Mrs. McConville in New York.

TWO FIRE ALARMS

A grass fire at Abalone and 220th street was extinguished by the fire department yesterday before any damage was done. A brush fire at the Ray Sloppy residence, 1229 Madrid avenue, destroyed a hedge before it was put out Tuesday afternoon.

CHURCH WOMEN TO HOLD LUNCHEON

The Ladies of the Christian Church Council are holding a luncheon Sept. 19 from 11:30 to 1:30 p. m. Members and guests are invited, and the tickets will be on sale for thirty cents.

Nash Returning to Waleria Church

Next Sunday marks the return of Joe E. Nash as acting-pastor of the First Fundamental Baptist church at Park and Newton streets in Waleria. He spent the summer in Saskatchewan, Canada, teaching and preaching in the Canadian Sunday School Mission. Nash is taking post-graduate work at the Los Angeles Bible Institute.

Brother-In-Law Expires Following L. A. Operation

One of Redondo Beach's pioneer business men, Joe Louis, brother-in-law of Sam Levy of this city, passed away Monday afternoon following an operation at a Los Angeles hospital. He was 42 years of age and had operated a furniture store in the beach city for 20 years. A World War veteran, Mr. Louis was financial officer of the Redondo American Legion post for many years. He is survived by his widow, a young son and a sister who lives in New York. The funeral was held yesterday afternoon in Los Angeles.

Food Prices And Profits

A Statement Of Safeway Policy

THE FORCES of market disturbance, fear, and speculation, are at work. Prices for some basic commodities have already gone up. Increases in Safeway's retail prices on these items reflect the rise in wholesale cost, over which Safeway has no control.

It is a fundamental Safeway policy to earn only a small profit on each sale. Safeway pledges that during the period of war emergency it will not change this policy; and that in the future, as heretofore, it will make every effort through improved methods to reduce distribution cost—the difference between what the farmer gets and the consumer pays. You will always be able to buy from Safeway at the lowest prices available anywhere.

Consumers may assist materially in preventing unwarranted price increases by continuing their purchases on a normal scale. There are adequate supplies of food stuffs for every American. Hysterical buying which strips retail and wholesale stocks creates artificial scarcity, which pushes prices to abnormal levels.

Machinery exists within the government to control production, storage and release of commodities, imports, exports, quotas and prices — if it should become necessary to employ these methods to protect the economic welfare of the country.

Safeway further pledges complete cooperation with the governmental agencies and with farmer producers in all efforts to stabilize prices; discourage profiteering; and maintain orderly facilities for food distribution.
