Dear Friends:

The cost of Food is one of the greatest single items on your budget. Naturally, you want to make every penny count; to make every dollar spent go as far as it will.

With this in mind we are opening this week end the largest and finest market Torrance has ever had . . . dedicated to the principle of providing **GREATER VALUES, BETTER SERVICE and LOWER PRICES.** We know we can do this. Our enormous buying power enables us to **BUY RIGHT** so that you may profit.

Plan to attend our Grand Opening and see for yourself why it will pay to shop every day at the Ideal Ranch Market.

Sincerely yours,
IDEAL RANCH MARKET
