## Prayer Book's Anniversary Being Observed

Episcopalians throughout the nation this year are observing the 150th anniversary of the adoption of the Book of Common Prayer by the Episcopal church in the United States. The book in use by American churches is essentially the same as the prayer book of the Church of England which is 400 years old.

The American Book of Common Prayer was adopted for usage in the United States in 1789 and has since then been subject to only minor changes. Rev. Thomas R. Marshall will speak on the Book of Common Prayer next Sunday morning at St. Andrew's Episcopal church here.

## Ham-Eggers Plan Picnic in Park Here

Next Saturday, Oct. 14, the local Ham and Eggs organization will hold an all-day picnic at the city park, according to an announcement today by Mrs. Elsie Smith, manager. A baseball game, music and speakers will be on the program and all are welcome to attend.

These words from John's first epistle, "If any man sin, we have an advocate with the Father, Jesus Christ the righteous," are the Golden Text in the Lesson-Sermon on "Doctrine of Atonement" on Sunday in all Churches of Christ, Scientist.

Among the Scriptural selections in the Lesson-Sermon are these verses also from 1 John: "In this was manifested the love of God toward us, because that God sent his only begotten Son into the world, that we might live through him. And we have seen and do testify that the Father sent the Son to be the Saviour of the world." Paul's words to the Corinthians are also included: "And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation."

A passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus aided in reconciling man to God by giving man a truer sense of Love, the divine Principle of Jesus' teachings, and this truer sense of Love redeems man from the law of matter, sin, and death by the law of Spirit—the law of divine Love."
