Clarence Peckham Now Leads Local Young Democrats

The Torrance Young Democrats elected officers Oct. 19, selecting Clarence Peckham as president; Pauline De Phillips, vice-president; Dolphine Smith, secretary; John A. Shidler, treasurer, and Al Jaumens sergeant at arms.

A social meeting will be held Nov. 9, starting at 8 o'clock, at the hall over the market at Torrance boulevard and Portola avenue. There will be dancing, games, and refreshments. The club's charter is to be presented at this meeting by a representative of the state committee for organization.

READY TO FLEE SOVIET ATTACK . . . If Finnish refusals to Russian demands bring a Soviet attack, these Helsingfors youngsters will be rushed to safety in the country. They are typical of thousands who are ready to evacuate Finland's capital.

Hallowe'en Damage Held Down Here

(Continued from Page 1-A) night—and detained at the police station for various periods of time while they were lectured by Police Chief John Strohm and then permitted to depart one by one.

Downtown business windows received their customary coating of soap but candle tallow was rarely encountered by the merchants who appeared bright and early yesterday morning to erase the traces of so-called spooks, goblins and elves. Most of the show windows had been treated to liberal applications of glycerine to defeat the soapers.

Fog Crimps Celebrants
One gang of youngsters was apprehended by police and its members given personal escort home by officers when they were found to be hurling onions and egg plants at passing motorists and at homes. Two fences, belonging to Robert Bellini at 1304 Portola and George Smith on Carson street, were pulled down and a number of gates were removed. In several sections of the city piles of debris and signs were tossed into the streets to form barricades which the police removed as soon as the youngsters had hot-footed their way elsewhere.

The arrival of a thick fog about 9 o'clock put a crimp in the activities of Hallowe'en celebrants. A second story window at 1313 Acacia street was smashed by a rock hurled by someone who jumped the gun and went Hallowe'en Monday night. As usual the Baptist church bell was given a nocturnal workout and the smaller youngsters toured home residential areas in quest of "Hallowe'en handouts." Most of them carried paper sacks to store their plunder exacted from friendly neighbors under threat of "a trick or a treat."

Distribution of garbage and cans about the streets and on private property was held to a minimum because garbage and trash removers made the rounds Tuesday morning.

LOMITA YOUNGSTERS ENJOY SPOOK FETE
Children at the Lomita Elementary school began their Hallowe'en celebration Tuesday afternoon with a spook festival on the school grounds under the direction of Principal Harriet Michaelis and Harold Richard, play director. Judging of costumes worn to school by the youngsters and a parade opened the program. Other events included folk dances, various races and games. The Narbonne high school band played for the entertainment and Hallowe'en favors were distributed by the faculty.

House-to-House Red Cross Drive Proposed Here

(Continued from Page 1-A) usual donation being from \$1 to \$5.

The 5,700,000 American men and women who enrolled as members of the Red Cross last year enabled the organization to meet the needs of sufferers in 157 disasters during the year, as well as to train hundreds of thousands in first aid, life-saving and health education.

RED CROSS CLASS BEING FORMED HERE

An ever-increasing demand for instruction in first aid for which Red Cross certificates can be received has necessitated the organization of several additional first aid classes. Red Cross headquarters announced this week. An elementary course, for which standard certificates will be awarded has been scheduled at Torrance Evening high school for Mondays from 7 to 9 p. m.

Cities Relieved of Gas Tax Restrictions

All cities in the county this week were relieved of restrictions placed on their allocation of gasoline tax funds received from the board of supervisors. They will be allowed to purchase their own materials for the work to be done with these funds, if they wish.

About a year ago the supervisors ordered that the cities have the county purchasing agent obtain bids for them on materials, whereupon some cities claimed they could buy at lower prices direct.

COUNCIL MEETS NOV. 11
No meeting of the city council will be held next Tuesday evening, Nov. 7. The regular session will convene Nov. 14.

DID YOU EVER TRY TO EAT A DOLLAR BILL?

Frankly, we've never eaten a Dollar Bill, and we don't know anyone who has. But we imagine it would be rather tasteless and tough.

Our point in bringing this out is that in buying MEAT it's the MEAT that counts; it's the nourishment and joy you get from EATING the piece of MEAT that is really important. The Dollar Bill is good for only one thing . . . the MEAT IT WILL BUY!

That is why we have never sold PRICE! We believe (and our hundred of satisfied customers will bear us out) that you'll get vastly more pleasure from eating a GOOD piece of meat than you will in gulping a Dollar Bill!
