

# Gauchos Look Like Champs in Crushing Tartars 19 to 0

## SAN PEDRO INVADES FIELD HERE FRIDAY

Those cautious souls who are willing to wager a fin or two that the grim reaper and taxes will arrive to every man can now stake their odd pennies on another safe bet: Narbonne to be champions of the Marine league in varsity football.

The Gauchos from down Lomita way demonstrated last Friday afternoon that they are a title-bound outfit when they crushed the Torrance Tartars 19 to 0 before a crowd estimated at 2,500.

The local eleven was no match for Coach Bill Sloan's polished machine which rolled up a total of 238 yards in scrimmage and made 17 first downs while the Tartars were allowed but 13 yards and one first down—and that made possible because of a penalty.

### Game Starts at 2:30

Tomorrow afternoon a sadder and wiser Torrance squad will tangle with San Pedro's Pirates, starting at 2:30 o'clock, and there is a bare possibility that the Tartars may sink the invaders from the port city. Even the most disheartened local fan still believes Coach Bob Barr will pull one victory out of the season—and it may be Friday. Narbonne, with two straight wins, draws a bye date this weekend. The Gauchos play Gardena at Lomita Nov. 10.

Barr had no alibi to offer for the Tartars' inept performance last Friday. He simply said that the Narbonners are a much better team with more speed and fight than his boys developed. By no means has the locals' morale been wrecked by the pounding of the Gauchos' flying feet and the team came thru the game in excellent condition physically.

Narbonne revealed its power before the game was two minutes old. Harry Hagedorn started the scoring by returning a punt 25 yards for a touchdown. Two minutes, one of 75 yards and the other for 50, also netted scores. Milo Roberts went over from the 5-yard stripe on one in the second quarter and John Walker tallied from the 2-yard marker on the other in the third period. Binkley converted Hagedorn's touchdown.

Shimatsu Strong Man That was the scoring of the day. But the Gauchos had opportunities to make others. However, the Tartars buckled down to business a couple of times to stave off further loss.

Akige Shimatsu was the strong man of the Torrance team. He was in almost every play and when the honors are portioned out by All-Marine pickers he deserves at least honorable mention. Kenny Perkin averaged nearly 24 yards on his punts—and he had to keep kicking them all afternoon to hold back the galloping Gauchos. Lineups:

### Young Baseball Players Invited to Practice Here

Boys who want to become the DIMAGGIOs of the future will be given opportunity for weekly practice at the city park ball diamond under the direction of Manager Walt Morris of the Torrance-Lomita Indians. The practices will be held every Wednesday afternoon, starting at 2:30 o'clock, for youngsters between 16 and 20 years of age.

They must bring their own equipment but balls and bats will be furnished by the Indian club as will dressing room quarters. The local diamond is being used by Johnny Angel, Pacific Coast scout for the Cleveland American league baseball club, as a developing ground for future ball players.

At the present time there are several young players, already the property of the Cleveland club, who are on the Indian roster. Bob Lemon of New Orleans club, Herman Reich of Portland, Jack Whipple of Cedar Rapids, and Charles Derrington, who stole the show at the National Semi-Pro tournament in Wichita, Kans., last summer, who has been signed to play for Cedar Rapids of the Three I league next year.

### Pirates' Aerials Beat Gardena

Taking to the air in the final half for a brilliant passing attack, San Pedro's varsity football team defeated the Gardena Mohicans 12 to 0 at Navy Field last Friday. The Pirates' aerial drives turned the Indian sign back on the Mohicans who used that method in the past two seasons to put the Pedroans in the hole.

Little Terry Croskrey was the bright star in the Pirate offense. He hurried three passes, one of which a teammate couldn't hold, to set the stage for the victory after a scoreless first half. Croskrey's second heave was boosted into the arms of Homer Sims by a Gardena warrior and Sims made it to the two-yard line before being downed. Bob Smith carried it over for the score.

A few minutes later another Croskrey heave was good to Sims and then Croskrey took the ball around end for the touchdown. San Pedro made six first downs to Gardena's four. The Mohican line appeared as strong as Narbonne's forwards which held the Pirates without a first down. Lineups:

MT. CARMEL NIPS BANNING 8 TO 0

Having a bye date in regular Marine league competition, Banning high's Pilots dropped an 8 to 0 decision to the Mt. Carmel squad in a practice tilt at the Banning field last Friday. A blocked punt accounted for the safety while a fourth-quarter plunge from the 5-yard stripe netted a touchdown. Banning goes to Gardena for next week's league fray while Narbonne enjoys a rest.
