

Tartars Adopt 'Razzle-Dazzle' for Final Game Tomorrow at Gardena

Intricate Plays and Aerial Attack May Bring Victory

Scrapping his previous grid strategies in favor of an out and out "razzle-dazzle" style of play, Coach Bob Barr this week switched his Torrance Tartars from an ineffectual ground force into a team that will depend on intricate hidden ball maneuvers and a bold passing attack to win the first local victory of the expiring season.

The Tartars travel to Gardena tomorrow afternoon to take on the Mohicans in the final game of the Marine League series. The kickoff is at 2:30 o'clock.

Beaten by Banning 12 to 7, by Narbonne 19 to 0 and by San Pedro 32 to 0, the Tartars are overdue in realizing the potentialities they had at the start of the gridiron campaign. Gardena was defeated by San Pedro 12 to 0, won over Banning 13 to 0 and held the Narbonne Gauchos to a 6 to 6 tie last Friday.

Thus, on the record books, it looks like the Torrance varsity is due to end its 1939 season without a tally in the win column. But Coach Barr has been putting his outfit thru some intensive drills during the past eight days and by adopting the "razzle-dazzle" he may pull a victory out of Gardena come sundown tomorrow.

During scrimmage Tuesday and yesterday, he was using Eugene Hatter at the right half spot and big Robert Ernest was hoisting his 225 pounds around in Ner Rathbun's place at tackle. These were the only changes in the lineup and Barr said that they might not be in effect when the whistle blows for the Gardena encounter.

A win for the Tartars would only take the sour taste out of the mouths of local supporters because it would not affect the Marine League standings so far as the Torrance school is concerned.

The Tartars are certain holders of cellar position. Last year they were champions. But that is football.

Tartar Cagers Beat Leuzinger

By BERNARD FRIEDMAN

Three innovations in basketball equipment used by Leuzinger high perplexed Coach Pete Zampieri's Tartar cagers Tuesday afternoon but after they became acquainted with a waxed floor, a rubber-covered ball and metal backboards they won, 35 to 16.

The local five, undefeated in its pre-league season, headed Leuzinger all the way.

Marvin Lee, already being boomed for All-Marine and All-City honors, was kept well guarded so he only rang up 15 points to lead the scoring. This afternoon, the Tartars are playing Hamilton's casaba team at the local gym. Lineups:

Torrance (35) vs. Leuzinger (16)
Yancy (2) G. F. Dreishach (7)
Barkdull (10) F. Miller (3)
Lee (15) C. Miller (3)
Buckley (4) G. Tamura (4)
Brose (2) G. Tamura (4)

Score by quarters: 6 12 11-35
Leuzinger 6 12 11-35
Substitute: Barnard (1) forward for Torrance.

Match-maker Lou Sullivan offers for the main attraction, Frank Cassano vs. Tommy Armand. Highlight of the eight preliminary bouts is the battle to be staged between Gus Dodos of Torrance and Tim Armstrong, both 136 pounders. A band has been engaged for further entertainment of patrons, the new manager states.

Fish and Game Law Breakers Penalized

Vigilance of federal, state and local enforcement officers resulted in the arrest and conviction of 397 persons for violations of the California Fish and Game Code in September.

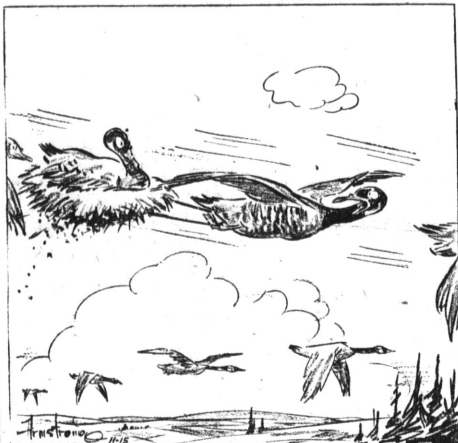

Illegal hunters and fishermen were fined a total of \$15,174.50 with \$4,989 suspended. Jail sentences totaling 1,582 days were meted out with 635 days suspended.

Gardena Holds Score Book Edge Over Local Teams

In nine years of competition, the Torrance Tartars have only managed to defeat Gardena's Mohicans three times—and one of those was by forfeit after Gardena had actually walloped the locals 27 to 7 in 1937.

The Mohicans have rolled up a total of 146 points while the Tartars gathered 58 in their games. Here's the record:

Year	Torrance	Gardena
1928	0	39
1929	0	32
1930	6	26
1931	0	19
1932	13	12
1933	19	0
1934	12	0
1935	12	0
1936	1	0
1937 (forfeit)	1	0
1938	7	18

Nine Bouts at Redondo Tonight

The new management of the Redondo Athletic Club, whose arena is located at 216 North Benita avenue in Redondo Beach, promises nine good bouts of boxing to patrons tonight (Thursday), beginning at 8:30 o'clock.

Match-maker Lou Sullivan offers for the main attraction, Frank Cassano vs. Tommy Armand. Highlight of the eight preliminary bouts is the battle to be staged between Gus Dodos of Torrance and Tim Armstrong, both 136 pounders. A band has been engaged for further entertainment of patrons, the new manager states.

Indians Win Double-Header

Displaying a stellar brand of ball, the Torrance-Lomita Indians won both games of a double-header last Sunday, taking the L. A. Produce, 9 to 1 and the L. A. Nippens 2 to 1.

Next Sunday afternoon the Indians play the Pacific Clay nine in the first game, starting at 1 o'clock and at 3 o'clock will start the nightcap with the Union T. club. The Claymen went 13 innings to a 1 to 1 tie at Santa Barbara last Sunday.

Manager Walt Morris said yesterday that Lefty DeHoag will be back in the Indian camp next Sunday as will Bill Watson who just pitched the cruiser division to a Navy championship, shutting out the U. S. S. Vestal nine with two hits.

MESSNER OUTSTANDING

Home runs by Cliff Mapes and Bill Lemmon were features of the first game last week with the Produce nine. Miller, Mapes and G. Johnson got two hits each and the Indians managed to complete two double plays. Bill Sanchez held the Produce-men to eight scattered hits while the T-L club nicked Trujillo for 11 bingles.

In the second game, Steve Messner's fielding at third was outstanding. This Chicago Cub player handled seven chances and made a double play unassisted. Swayne Johnson's home run in the sixth inning gave the Indians the deciding run. Swayne had two hits for two times at bat. Walt Morris clamped down on the Nippens, allowing but three hits, while the T-L club got four off Okada. Cliff Mapes caught both games.

Imperial Allows Pheasant Shooting

For the first time in the history of Imperial county pheasant shooting is now being allowed. The six-day season will close Monday, Nov. 20. Pheasants are plentiful in the southern county.

Billy Dillon Recovers from Homesick Spell

"I've been here almost two months now and like it a lot better than when I first came," wrote Billy Dillon, son of Mr. and Mrs. Clarence Dillon of 1522 West 25th street, Harbor City, from Notre Dame University to his friend Robert Lewellen of Torrance this week.

"In fact, the first week I was here I was about ready to pack up and come home—everything was so new to me and I was completely out of the practice of studying. All in all, I was very miserable and homesick but everything has turned out fairly well."

Those who have ever experienced nostalgia—the polite name for a very acute illness known as homesickness—will understand Billy's experiences at the famed South Bend, Indiana institution and his friends here will be glad to know that he's recovered and is on his way to earning more laurels in track for his chosen school.

Coming Home Christmas

"I haven't been out for track practice for over a month because I chipped a bone in my ankle. But I can get around fairly good on it now altho it has no strength yet and I'm not able to run yet. I plan on starting training right after Christmas vacation if that is O. K. with Track Coach Nicholson. Notre Dame sure has some swell frosh track material and all of the fellows are grand. If none of us flunk out we should have a good track team next year," young Dillon writes.

"I'm planning on coming home Christmas and I'll tell you all about the school then. If you see Bill Stewart or any of the fellows at Narbonne, tell them 'hello' for me," he concludes.

BIG LEAGUE GAME BOOKED THANKSGIVING NITE AT PARK

Big league baseball, with two stellar teams in action, will be the Thanksgiving dish set before local fans at the city park diamond next Thursday night, Nov. 23, starting at 7:30 o'clock.

The outstanding players from the Major A ball circuit collected to form an all-star team from South Los Angeles, will play the Philadelphia Royal Giants, touring major league club in the colored circuit, it was announced yesterday by Johnny Angel, Cleveland Indian scout in Southern California.

The early start on the night game is imperative because of weather conditions—the teams don't want to have this game called on account of fog. Angel said that the L. A. team will have some of the best-known younger players in the coast league on its roster and will show fans just what the future material is going to bring to major ball clubs.

General admission to the game will be 35 cents, with children admitted free. The engagement has been approved by Mayor William H. Tolson and City Recreation Director Dale Riley.

S. P.—Loyola Play Friday

San Pedro high school's varsity football team will end its season tomorrow by playing Loyola high at Navy field in the annual homecoming game. Ed Smith, outstanding halfback, is expected to rejoin the squad then.

GAUCHO CAGERS LOSE

Redondo high's basketball squad, which holds victories over several Marine League teams, added the Narbonne varsity to its list this week, tripping the Gauchos 32 to 11.
