## MRS. MORT HOSTESS TO LODGE TONIGHT

At a recent session of the Redondo Court, Order of Amaranth, held in the Masonic Temple of Redondo Beach, it was decided that Mrs. Al Mort would open her home at 1221 Cota avenue tonight at 8 o'clock for the order's open card party. The event will feature tables of bridge, 500, Chinese checkers and pinocle, and prizes will be awarded high score holders, according to Mabelle Rumford, royal matron. The public is invited to attend.

Mrs. Mort will also be hostess for the order's next regular early morning breakfast meeting to be held from 10 to 1 o'clock Sunday morning, Dec. 10. Final plans were also discussed for the group's annual Christmas party scheduled for Wednesday, Dec. 27 at the Masonic Temple.

At the Dec. 13 meeting, to be held at 8 o'clock in the Masonic Temple, of Redondo Beach, balloting for the 1940 officers will be in order, following which initiation rites will be practiced.

## MISSIONARY GROUP ELECT OFFICERS

Election of officers for the 1940 term will feature the regular monthly meeting of the Woman's Missionary Society of the Central Evangelical church 2 o'clock Tuesday afternoon in the Guild Hall. Election will be under the supervision of Mrs. Elizabeth Brod, 1939 society president, who will also preside over a short business session.

## Joe O'Toole Is Fully Recovered from Injuries

A full year has intervened since Nov. 26, 1938 when little Joe O'Toole, then six years old, suffered serious injuries in a fall at the Fern Avenue school playground and was confined at Torrance Memorial hospital for three weeks while he hovered between life and death.

Today, Joe, now seven, is as husky a youngster as there is in Torrance and Mrs. James J. O'Toole, his mother, reported this week he has gained eight pounds during the year. He dropped from 54 to 27 pounds during his recovery from injuries. The O'Toole's live at 1225 Madrid avenue.

Joe celebrated his seventh birthday anniversary last week with a festive out-of-door party for a large group of his schoolmates including Pat Murphy, Jimmie Gene Murphy, Shirley Pauliny, Ray Connors, Bobby Young, Jacky Hooper, Billy Hooper, Howard Intermill, Billy Disario, Petie De Phillips, Georganna Webb, Walter Webb, Donna Galli, Charles Budford, Alvin Thompson, Janice Haarer, Marilyn Haarer, Billy Wernett, Donnie Fetherolf, Harold Burger, Joan Snodgrass, Vivian Hazzard, Ahioi Izeoke, Richard Barrera, Mamie Barrera, Bobby Underhill, Janet Lewellen, Carol Bird, Charles Holmes, Joan Zinke and Helen Stitt.

## RAY GRANT HONORED AT JOLLY PARTY

Clever pink and blue messenger boy invitations were issued last week by Mrs. Iola Young in honor of the eighth birthday of her son, Ray Grant, Nov. 25 at 1610 Cota avenue.

And an extra jolly party it was, too! What with pinning the tail on the now famed donkey, fishing for swarms of illusive animated gold fish and playing a host of other garden games, the time for blowing the candles and cutting the gaily decorated Thanksgiving theme cake almost passed unnoticed.

Enjoying the event were Billy and Bobby Moore, Ann Marie Bishop, Norman Downing, Diane Downing, Jackie Eberts, Nancy Ann Whyte, Jackie Beeman, Lloyd Fossum, Myrna Fossum, Dolores Ullbright, Mary Lou Lovelady, Axel Peterson and Charles and John Foster.

## LOIS ALLEN NAMED MARSHAL OF BETHEL

# IMPORTANT Announcement

I AM running this announcement and paying for this advertising space because I believe that an opportunity has arisen which may or may not last long, for me to do a service to the people of this city who, in the past, have favored me with their tire and tube business.

Prices of almost everything have been going up since the first of September when things started to happen over in Europe. The experts tell us that prices are going to keep on going up. Now, right on top of a situation like that, Goodrich has just announced a general reduction in the price of tires and tubes, ranging up to 14% of list prices. Even before this reduction these Goodrich tires were certainly real value for the money, but at these new low prices they are a great buy.

As long as these low prices stay in effect, I can sell you a 6.00 x 16 Goodrich Safety Silvertown with Life Saver Tread that formerly listed at \$15.95 for only \$13.95 and give you a good allowance for your old tire too. A 6.00 x 16 Goodrich Golden Ply Silvertown that formerly listed at \$14.35 now sells for \$12.35 and the Goodrich Standard that was listed at \$11.95 now sells for \$10.45. All other tire prices are also reduced.

You know as well as I do that tires are a necessity. If your tires are wearing down smooth they aren't safe for winter driving and you'll have to replace them sooner or later if you want to stay on the safe side. The Goodrich testing engineers tell us that tires don't wear as much in the winter as they do in the summer, so you can have the protection of good non-skid during the winter months and still have plenty of mileage left for summer driving.

How long these low prices will last, I don't know any better than you do, but when a price cut comes along in the tire line just when all other prices are going up, I say it's time to buy tires.
