General Motors Assembly Plant Plans Open House

The assembly plant of the Southern California Division of General Motors in South Gate will hold its annual open house for the public Dec. 12, 13 and 14, it was announced today by R. J. Wilkins, general manager.

During the days of open house, special conducted tours will be held between 10 o'clock in the morning and 3 o'clock in the afternoon, during which periods visitors will be conducted on an interesting and comprehensive trip through the huge assembly plant, one of the finest and most modern in the nation. Children under the age of 16 years cannot participate in the plant tours.

The various operations in the assembly of 1940 Buick, Oldsmobile and Pontiac passenger cars, including those of the chassis and body assembly lines, will be seen by the visitors, with explanations by special guides.
