"O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faith- fulness and truth." This verse from Isaiah is the Golden Text in the Lesson-Sermon on "Truth" on Sun- day in all Churches of Christ, Sci- entist.

A Scriptural selection in the Lesson-Sermon includes these verses from Deuteronomy: "Give ear, O ye heavens, and I will speak; and O earth, the words of my mouth. My doctrine shall drop as the rain, my speech shall distill as the dew, as the small rain upon the tender herb, and as the showers upon the grass: Because I will pub- lish the name of the LORD: as- cribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he."

Passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, state: "As ad- herents of Truth, we take the in- spirited Word of the Bible as our sufficient guide to eternal life." "Divine Science derives its sanction from the Bible, and the divine or- igin of Science is demonstrated through the holy influence of Truth in healing sickness and sin."

Tom Bishop, son of Mr. and Mrs. J. O. Bishop, is at home recuperating from an attack of influenza.

Mrs. Paul Rowe of Spanton- burg, So. Carolina, who has been enjoying a prolonged holiday visit with her brother-in-law and sister, Mr. and Mrs. H. J. Rowe of 1717 Martina, plans to leave for her home Feb. 4.

Cab Firm Has Taxi Stand Here

The Day and Night Cab Com- pany, a subsidiary of Bay Cities Taxi, owned by Henry T. Budd, is now operating a 24-hour taxi service for Torrance and Lomita, with their stand located at Sar- tori avenue and El Prado.

"We plan to give the finest taxi service experienced any- where," Budd said this week.

"For example, in addition to having radio and heater equip- ment, safety tested cabs, our drivers are instructed to give extra service. This includes un- usual care in maternity cases, emergencies, transporting chil- dren, running errands and a unique shopping service."

Stroh Clan to Honor Founders in Colorado

For a half-century the Glas- Reaper has providentially with- held death from the Henry Stroh family of Colorado and Cal- ifornia and Sunday, when the Strohs gathered in Loveland, Colorado to celebrate the founders' 50th wed- ding anniversary, all members will give thanks for that bless- ing.

Police Chief and Mrs. Jean Stroh and his sister, Mrs. Rose Shewalter of Downey left Sat- urday morning to attend the union and golden wedding cele- bration. They expect to return Feb. 5.

Mr. and Mrs. Henry Stroh, par- ents of the police head, have six children, equally divided as to sons and daughters; eight grand- children and two great-grand- children. The twins, children born at Torrance Memorial hospital to Mr. and Mrs. Leo Weaver of Downey, carry on the Stroh tradition of "one pair of twins in every generation."
