"O man greatly beloved, fear not: peace be unto thee, be strong, you be strong." These words from the Book of Daniel are the Golden Text in the Lesson-Sermon on "Man" on Sunday in all Churches of Christ, Scientist.

The Lesson-Sermon includes also these verses about Jesus from John: "Then came the Jews round about him, and said unto him, How long dost thou make us to doubt? If thou be the Christ, tell us plainly. Jesus answered them, I told you, and ye believed not: the works that I do in my Father's name, they bear witness of me. . . . My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life; and they shall never perish, neither shall any man pluck them out of my hand. My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand. I and my Father are one."

Among the passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, are the statements: "Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage." "Man is never God, but spiritual man, made in God's likeness, effects God."

Student Succumbs to Pneumonia Today at Local Hospital

A 14-year old Junior high school boy, Jack Alton Moore, son of Mr. and Mrs. Howard R. Moore of 1725 Greenwood avenue, succumbed to pneumonia at 7 o'clock this morning in Torrance Memorial hospital. He had been ill for only three or four days and entered the hospital yesterday afternoon at 1:45 o'clock.

Jack was born in Long Beach and was an active member of Boy Scout troop 219. The family has lived in Torrance for the past 10 years, Mr. Moore being an oilworker. In addition to his parents, Jack is survived by a sister, Virginia. Funeral arrangements are being made at Stone and Myers mortuary.

Missionary Who Was Prisoner in China Here Sunday

Rev. Howard A. Smith, who appears Sunday at the Baptist church, was a missionary for seven years in China. With his wife and infant son, he was taken prisoner by a Communist guerrilla army in 1934 at the time when these troops were still engaged in bitter fighting with the Chinese Central Government forces.

Mrs. Smith, with the child, was left behind to present a demand for \$100,000 ransom for her husband when the Reds marched away with Rev. Smith into the wilds of Kwichow Province, 1,500 miles from the coast. After 32 days of hardship and danger, Rev. Smith and a Christian Chinese boy made their escape from the Red army.

Hunted through the mountains for days, narrowly escaping capture or death several times and suffering from exposure and hunger, the two finally reached an outpost of provincial troops and made their way down the Wu River to the Yangtze and thence to safety. Rev. Smith and one other man, were the only ones to return alive of all prisoners taken from the city in which he was captured.

H. S. Students Learn of Opportunities in Civil Service Work

Approximately 300 students who had evidenced an interest in the subject attended the vocational conference on the possibilities and requirements of civil service as a career this morning at the high school assembly hall. The session, which was one of the series being conducted each month under the auspices of the Torrance Rotary club, was addressed by Dr. Harold E. Barden, of the personnel commission of the Los Angeles City board of education.

He was introduced by Sherman Bross, student body president, and gave an outline of the increasing number of jobs available under civil service, both in governmental agencies and in school work. James Howe, chairman of the Rotary club's Vocational Guidance committee, represented the sponsoring service organization at the meeting.

Next month the vocational conference will consider home economics as a life work with the head of that department in the Frank Higgins Trade School as speaker. The final session in May will be devoted to medicine and nursing as professions and this will be led by Dr. John Berman, member of the Rotary club.

Among those who attended "Gone With the Wind" at Long Beach Tuesday were Mesdames F. W. Sandstrom, Oma Allen, G. E. Campbell, Charles Law and Mrs. Bonnie Klein.
