Piano Pupils Heard
in Diversified
Recital Program

Richard Honrath, violinist, accompanied by Doris Dillard, was heard in two selections at the regular monthly piano recital held at the studio home of Kathryn Buffington, 1533 Maricopa avenue, Saturday afternoon.

Solos, trios and duets presented by the junior students occupied the first half of the program. A discussion period followed each number. Senior high school girls featured duet piano numbers and each played a group of solos.

Included on the program were Arlene Godwin, Dolores Ubright, Mary Louise Acord, Frances Thobois, Richard Mitchell, Billy Morgan, Betsy Ruth Morgan, Norma Jean Hearrell, Doris Robinette and Barbara Carstens. These programs, held on the fourth Saturday of each month, provide students an opportunity to acquire repertoires. The discussion following each number enables students to profit by suggestions made and to develop taste and discrimination, Mrs. Buffington said.

Mothers will be guests for the April studio recital and as a special feature, Carol and Ramona De Bra will present a violin duet and a puppet show.
