

Who Pays the Piper?

I miss the music in the town
That made the children gather round
To watch grown men perform
I miss the pamphlets in the yard
That made the cleaning of it hard
But kept my fireplace warm.
My telephone has ceased to ring
With praises that my friends would sing
Of candidates.
The beaten pathway to my door
Brings naught but agents any more
I grieve to state.
Of course we have the baker's song,
Good Humor men still come along
To make things gay
But still I miss the classic notes
That lured abroad so many votes
Election Day.

Muriel White, Max Briney Wed in Presence of 300

In a beautiful double ring ceremony solemnized Sunday afternoon at First Baptist church in the presence of 300 wedding guests, Miss Muriel Marguerite White, daughter of Mr. and Mrs. Clarence A. White of 2729 Carson street, became the bride of Max K. Briney, son of Mr. and Mrs. C. E. Briney of 2030 Arlington avenue.

Preceding the ceremony, Ray White, brother of the bride, accompanied by Mrs. M. L. Thorpe of Long Beach, sang "O Promise Me" and "Because". The bride, given in marriage by her father, was beautifully gowned in white, and carried a train and carried a shower bouquet of orchids and lilies of the valley. Her wedding veil, lace-trimmed, was caught with orange blossoms.

Mrs. Clara Stephen of Wilmington, wearing a bouffant gown of pink tulle and tulle and carrying an arm bouquet of tulle and lace trim, was the charming flower girl. Her rose petals were strewn from a ribbon decorated basket. Russell White, six-year-old brother of the bride, served as ring bearer.

Lex Briney of Monterey Park served as groom's man and usher. The bridesmaids were Lyn Gollands of Los Angeles, Corwin Dean of North Long Beach and Johnny Ritchie of Torrance.

Following the church rites there was a wedding reception. Later Mr. and Mrs. Briney left for a motor honeymoon to Boulder Dam. Upon their return they will make their home in Huntington Park. Briney is employed at Goodrich Rubber company. Both are graduates of Torrance high school.

Approved a grant of \$20 made by the Chamber of Commerce to Mrs. Marjorie Cooke to defray the expenses incurred by six Torrance high school students who attended the recent national convention of music educators in Los Angeles.

Heard Jack Isen protest that the protective fence in front of the building at 1929 Cabrillo (damaged by fire Sept. 27, 1938) was blocking pedestrian traffic and was unsightly. Engineer Young replied that the fence was put up to protect passersby because of the unstable condition of the building's front and that local contractors have submitted bids on the structure's reconstruction to the owner in Portland, Ore.
