The subject of the Lesson-Sermon is "Doctrine of Atonement" on Sunday in all Churches of Christ. Scientist. The Golden Text is from Matthew: "The Son of man came not to be ministered unto, but to minister, and to give his life a ransom for many."

A Bible citation includes these verses from Psalms: "O Lord, open thine eyes; and my mouth shall shew forth thy praise. For thou desirest not sacrifice; else would I give it: thou delightest not in burnt offering. These verses about Jesus from Mark are also presented: "And there came a leper to him, beseeching him, and kneeling down to him, and saying unto him, If thou wilt, thou canst make me clean. And Jesus, moved with compassion, put forth his hand, and touched him, and said unto him, I will; be thou clean. And as soon as he had spoken, immediately the leprosy departed from him, and he was cleansed."

One of the selections from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Jesus taught the way of Life by demonstration, that we may understand how this divine Principle heals the sick, casts out error, and triumphs over death. Jesus presented the ideal of God better than could any man whose origin was less spiritual. By his obedience to God, he demonstrated more spiritually than all others the Principle of being."
