

Family Injured in Car Crash

Ralph Carroll, 2068 236th street, Lomita, is again a victim of bad luck. After losing the use of his left arm for eight months as a result of a bad break, and just getting able to use it again, he had the same arm badly bruised last Saturday when his car was struck broadside at Arlington avenue and Sepulveda boulevard by a car driven by Miss Hazel Wilshire, 19, of Los Angeles.

Mrs. Tina King, 2267 Carson street, entertained as her house guests Wednesday, her nephew and his family, Mr. and Mrs. Harvey Smith, of Canal Zone, Panama, and Mr. and Mrs. R. R. Smith of Ventura. Her nephew is superintendent of construction work for the government in the Canal Zone.

Mrs. Alice Willburn of 916 Cedar street will leave Saturday for a month's trip to Roswell, New Mexico.

J. J. Babbitt of Troutdale, Ore., arrived here last Friday to visit his son, Thomas T. Babbitt and family at 1416 Cedar avenue. This is the first time the elder Babbitt has seen his four grandsons and he is having a time for himself. He will make an extended stay in Torrance.

Carroll's car was badly damaged and the other car was also wrecked. Police who investigated believe Miss Wilshire failed to make the boulevard stop on approaching Arlington as the stop sign was knocked down.

Carroll's car was turned over by the impact. The injured family was treated at Torrance Memorial hospital.

Mercury Thieves Admit Jobs

With three cities and Los Angeles county waiting to hale them into court on separate charges of theft, two men are in the county jail today following their arrest in San Jose last week for theft of some 50 pounds of mercury from meters on a Torrance oil derrick March 22.

One, Louis T. Knatcher, 32, is a two-time Oklahoma convict who used several aliases and is known among the gambling fraternity as "Indian Slim." The other prisoner awaiting trials in Torrance, Long Beach, Signal Hill and by the county court is James A. Repass, 33.

They have admitted the thefts charged to them, mostly mercury draining jobs, according to Police Chief John Stroh.

"They sold the mercury obtained here, which was valued at \$153.30, to a Long Beach junk dealer," Stroh said. "Long Beach police checking up on information we gave them discovered the sale and traced the pair to San Jose. Long Beach officers returned them from that city last Sunday. Since then they have been identified with thefts in the Lomita area and Signal Hill. Each city is filing on them separately and Long Beach will get the first crack at them."

FIGHT GRASS FIRES
On their return from extinguishing a grass fire at 166th and Crenshaw, local firemen stopped at 1804 Western avenue yesterday afternoon to put out another grass blaze. Both fires caused no damage.
