## The Call of the Open Road

### All America Open to Vacationers!

Far from Europe's war-maddened peoples, stronger and earlier than ever "The Call of the Open Road" is ringing throughout this community and vacation plans are being made already in joyful anticipation of summer pleasures.

All may revel in nature's glory and thrill to the health and happiness the vast outdoors offers here in peaceful America.

In this Vacation Section of Herald & News you will find many aids to a pleasant vacation—spend it where you will.
